TARGET AUDIENCE: ACTIVE MEMBERS OF IEI MGR STUDENT CHAPTERS

EVENT DESCRIPTION:

Just A Minute (JAM) Sessions are **one-minute impromptu speeches**. Here, the speaker is presented with a topic on the podium and is given 2 -5 minutes to think about it and assimilate all their ideas. After the thinking period is over, the individual is given a minute to express their views on that particular topic

It might seem like something easy and fluent, but what makes it difficult is nervousness, fear of failure, the strangers sitting in front of you, the evaluation process, limited knowledge, the inability to think on your feet, filler words, and the long pauses. JAM activities are a part of the interview curriculum of many renowned educational institutions as well as companies.

Special mention and thanks to the Organizing this Event By IEI MGR STUDENT CHAPTER HEAD Dr. F.Antony Xavier Bronson and also for Event Coordinator
