eagerly waiting to learn something new today. And I hope everyone who attended this program learned something super thoughts on personality development.

Without making pause let us see what are points explained by the speaker of the program, Personality development is about building our capacities, nurturing your talent, enhancing new skill sets, working on our weaknesses, and transforming them into strengths. We, as an individual, have unique skill sets. our potential is multi-faceted, and investing in personality development enables us to harness our strengths. Focusing on individual personality development adds to our capabilities and helps our dreams and aspirations turn into a reality.

Cell : 98407 44286

**Win-win**

To be a more charismatic person, we have to develop our inner self as well as our outer self. The importance of personality development is undisputed in personal and professional life.

### ➤ IMPORTANCE OF PERSONALITY DEVELOPMENT

Let's look at the reasons why it is important to develop one's personality:

## Department of CSE Event Report

~Personality development enables us to discover our qualities

~It empowers us to make the right decisions and to choose wisely

~It builds that one winning quality in you- confidence. Confident people are more equipped to succeed in the long run

~It assists us in communicating clearly, convincingly, and precisely

Once we know how to develop personality, we will be seen as a leader by our peers and colleagues.

Tools to improve our personality are:

- \* develop positive goals
- \* set smart goals
- \* Be creative
- \* Avoid arguments
- \* Ability to smile
- \* Admit mistakes

If we follow these that's enough for us to personally change ourselves.

The beauty of the event is the way they taught us.

வாழ்க்கை என்பது ஐஸ் க்ரீம் மாதிரி...  
டேஸ்ட் பண்ணினாலும் கரையும்..  
வேஸ்ட் பண்ணினாலும் கரையும்..  
அதனாலே வேஸ்ட் பண்ணாம  
டேஸ்ட் பண்ணுது நல்லது .....

LIFE IS LIKE A ICE CREAM,  
IF YOU TASTE IT WILL LIQUIDATE AND REDUCE,  
IF YOU WASTE IT STILL IT WILL LIQUIDATE AND REDUCE.  
SO WITHOUT WASTING, TASTING IS GOOD
