Department of CSE Event Report

EVENT DESCRIPTION:

The Department of Computer Science and Engineering organized an event for CSE Students called "**BLOCK CHAIN APPLICATIONS**" on 21/02/2022 from 2:00 – 3:00 pm. Mr.Ashish Ranjan ,2th year, B.Tech CSE hosted the event and welcomed everyone with her warm welcome address

Ms.Yasaswini karanam, 4th year, B.Tech CSE B, introduced the speaker. To begin with, the speaker Dr. Vivek Dubey CEO of curious infotech solutions.. In that Dr.vivek Dubey explained about block chain technology and its applications. He has explained how the technology is immensely growing and what role did the block chain playing in the technology era.

Firstly, he has started by defining what exactly is block chain technology and then he presented a ppt so that students can understand easily. Speaker mostly talked about the importance of block chain technology and how it is implemented.

Secondly, he has described about bitcoin and how block chain plays role in it. He also made clear about financial transactions which can be secured using block chain technology. He also mentioned that Block chain technology is broader than finance.

Lastly, he also mentioned about the expensive and disruptive growth of block chain in the future. He also mentioned what are all the parameters and coding languages and the technologies that are used and implemented in block chain technology.

Finally, he concluded by giving few real time examples on the topic of the Event

.
Though there is lack of time, speaker tried to be interactive during the session.

After his session, Vote of thanks was conveyed by Mr.Sumanth of 4th year CSE A section.
