EVENT DESCRIPTION:

The Department of Computer Science and Engineering organized an event for CSE and Students called "**Importance of Self-Learning**" on 08/02/2022 from 2:00 – 3:00 pm. Ms. Bhavanam Dhevika Reddy ,2nd year, B.Tech CSE hosted the event and welcomed everyone with her warm welcome address

Ms.Hemalatha, 2nd year, B.Tech CSE A, introduced the speaker. To begin with, the speaker Dr.K.Geetha, Principal, Faculty of Education shared a ppt. In that she explained how to improve the positive thinking. She suggested various platforms, whichcan help the students to upgrade their skills.

Secondly, she quoted some Self-Learning Techniques by increasing the practicing of reading books. She explained the differences between the Self-learning and knowledge improvement.

From the chart which she shared; students were able to analyze the position of their mental health. And then she explained how self-learning is so important in everyday life. Then she explained how theself-learning acted in day-to-daylife.

She added how a person can achieve his goals even though there is lack of time. She referred some websites from where we can know more about self-learning.

Finally, she concludes with giving some real time examples of self-evaluation. In the end some students asked their doubts and she cleared them with right examples.

After her session, Vote of thanks was conveyed by Mr.Karan.R 2nd year, B.TechCSE.

The session was useful & informative. The Department of CSE considers it as a great privilege and honor to thank our honorable President Er.A.C.S Arun Kumar and all executives for their continuous support in organizing the event. The students to gain
