EVENT DESCRIPTION:

The Dept. of Computer Science and Engineering in collaboration with COEDF Organized a certification course on Cyber Security & Incident Response from 18th September - 3rd October 2021(50hrs) for B.Tech. CSE students. The trainers were from CRCIDF & COJER. This certification course was immensely interactive and one of a kind indeed. The students were extremely elated and sure to be looking forward to such more webinars in near future. Mrs.M.Devika Asst.Professor CSE organized the program. The department of Computer Science and Engineering consider it as a great honor and privilege to thank the Honorable President Er. A.C.S. Arun Kumar and the executives for their support for the smooth conduct of the certification course. The hands- on session organized by center for research on Cyber Intelligence and Digital Forensics (CRCIDF), in collaboration with COEDF and COJER. The Training mode was online and it covered the topics of identifying the vulnerabilities, deduct and respond to the threat incidence.
