### EVENT DESCRIPTION:

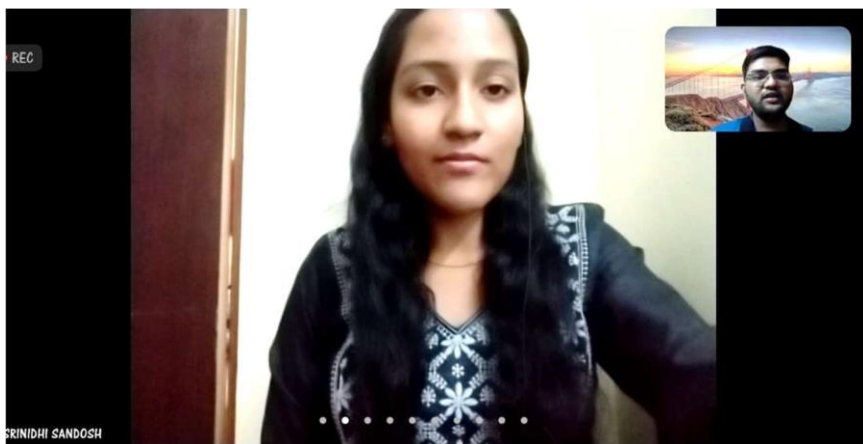

The Webinar on “Roadmap to Interview Preparation and Introduction to Programming” was organized by Department of Computer Science and Engineering in association with Coding Ninjas for the Students of CSE Department. Dr.G.Victo Sudha George welcomed the chief guests.

Shantanu Shubham started his session on “Roadmap to Interview Preparation and Introduction to Programming”. He provided an instance with JEE examination methodology to make us understand regarding the interview process. He mainly highlighted the requirements of a good resume and to have a good resume; one must have core knowledge in the fields of Dynamic Programming & Object-Oriented Programming. Java, Data structure and Algorithms are also highly required. He threw light on communication skill optimization in order to adapt the work culture of the organization and suggestions to mold into the company’s mission and vision.

The session was continued by Srinidhi S, Student Coordinator, 4<sup>th</sup> Year, B.Tech CSE and brief

## Department of CSE Event Report

Introduction about the Speaker, Divyansh Chowdhary was given by Ritika, 4th Year, B.Tech CSE. He suggested that competitive programming is slightly necessary and one can apply through career pages for off campus and internships. He also clarified about the Technical Skills and Programming Knowledge needed in the interview process. Finally, the vote of thanks was given by Surya S, 4th year, B.Tech CSE. It was an amazing session which is very useful for the aspirants. The Session ended by Srinidhi S, Student Coordinator, 4<sup>th</sup> Year, B.Tech CSE.
