Report on NATIONAL SCIENCE DAY; Held on 29-02-2016

The NATIONAL SCIENCE DAY celebration was organized by Faculty of Physiotherapy. From the Dr MGR Educational & Research Institute, NSS Officers co-ordinated the Event.

The ceremony was inaugurated by the Prof.Dr. A.Shaw Nawaz , Medical director. Science illuminates our minds and leads us from ignorance to light. Evolution would get hindered without science. We are living in a scientific era, enjoying the fruits of science which our ancestors would not even imagine.

Thus, keeping this as a base, we organized science day celebrations in our campus. Over 40 models were prepared and displayed by the students of BPT Kamali and J Selciya of 1st year BPT gave a speech on National Science day.

Report on WORLD TB DAY; Held on 04-03-2016

The WORLD TB DAY celebration was organized by Faculty of Physiotherapy. From the Dr MGR educational & research institute, NSS Officers co-ordinated the Students with the doctors.

World TB Day is observed worldwide on 24th of March. The concept behind this is the first proposal of **Robert Koch** on 24/03/1882 at the University of Berlin that **TB** is caused by **Tubercle bacilli**.

The **International union against TB & Lung disease**, (which has its head quarters at Paris) officially announced on 24/03/1982, (which was the 100th anniversary of Robert Koch's breakthrough invention) that every 24th of March would be observed as World TB Day.

On this day our Students learnt about the various facets of tuberculosis & its treatment.

Ms. Lousiya & Mr. Mark of MPT I yr presented a seminar on the history, clinical aspects & management of TB to BPT III & IV year students.

Quiz competition was held on TB as the theme. Around 15 students (III & IV Yr) participated as five teams among which, Mr. Anbu & team of BPT IV year won the first place

Report on World Kidney Day; Held on 10.03.2016

The WORLD KIDNEY DAY celebration was organized by Faculty of Physiotherapy. From the Dr MGR educational & research institute, NSS Officers co-ordinated the event with the Faculty staff.

World Kidney Day is a global health awareness campaign focusing on the importance of the kidneys and reducing the frequency and impact of kidney disease and its associated health problems worldwide. It is a joint initiative of the International society of Nephrology and the International federation of kidney foundations. The intention is to raise awareness about afflictions of the kidney, although many are treatable, they are a secondary medical concern of the greater population. This day is observed worldwide during the second Thursday of every march. We, in our Faculty of Physiotherapy organized World Kidney Day on 10/03/16, with the sole motto of creating an awareness regarding the significance of the renal functions & various renal disorders.

17. AWARENESS CAMP ON HEALTH ISSUES RELATED TO THE DAILY USAGE OF PLASTIC

Title	awareness camp on health issues related to the daily usage of Plastic at Maduravoyal village
Organizer	Department of Civil Engineering /DrMGRERI/ Maduravoyal village
Collaborating Agency	Maduravoyal village
Year	2016
Number of student participants	82
Write up	Attached
Photos	Attached

The camp was organized by department of Civil Engineerin Mr.vijay samuel, Dr.K.Radhika, Mrs.M.Vanathi co-ordinated the camp. The camp commenced at 10.00AM. The motive of this camp was to create an awareness in people against the use of plastic. Various other products that can be an alternative to plastics should be used. For example; paper bags, paper cups etc. Plastic plays a major role in polluting the environment. So to avoid this the eco-life club is been set up. All the teachers that are members of eco-life club anticipated thoroughly in this camp. It was their teaching which influenced us and made us work to protect the environment. The camp concluded successfully at 4.00pm

18. PLASTIC AWARENESS CAMPAIGN

Title	National Science Day
Organizer	Department of Biotechnology
Collaborating Agency	Dr. MGR ERI
Year	2016
Number of student participants	202
Write up	Attached
Photos	Attached

The camp was organized by department of Biotechnology From the department of Biotechnology, Dr. K.G. Purushothaman co-ordinated National Science Day. The Celebration of National Science Day 2016 on the theme "Make in India: Science and Technology driven innovations" started at 10:15 am in the Conference Hall, Anna Block, and the chief guests were Mr. T.A.B Bharathi, President (SCM), Wheels India, and Mr. T.S. Shankar, the Director of BioTec Bags India. The welcome address was delivered by Dr. Rajeshwary Hari, the Head of the department of Biotechnology, followed by a brief motivational address by the Student Registrar Dr. Kalidoss. Dr. Cyril Raj, Dean Engineering and Technology also addressed the students, speaking about the scope of biotechnology in the context of Make in India. After this, Dr. L.Ramesh, Dean Academic Events and Conferences, applauded the department for the initiative taken with the Plastic Awareness Campaign. The first guest speaker, Mr. T.A.B. Bharathi, was then honoured with a memento by Dr. Cyril Raj. Mr. T.A.B. Bharathi delivered an engaging and entertaining talk about the theme "Make in India". He stressed the need for a robust infrastructure that supported entrepreneurs. He insisted on the importance of skill building and mentioned that it is not up to the mark. Ending by stressing on the importance of listing out our priorities and focusing where we need to focus, he left the students feeling energized. The second speaker Mr. T.S. Ramesh was introduced to the audience, after which he was honoured with a memento by Dr. Deeca Raman. Mr. Ramesh, the Director of BioTec Bags India, spoke at length about the harmful effects of plastic bags.

19. CORPORATE SOCIAL RESPONSIBILITY(CSR) VISIT TO ORPHANAGE

Title	CSR – A visit to Orphanage
Organizer	Department of EEE
Collaborating Agency	Kalaiselvi Karunalaya,Mogappai Westr
Year	14/10/16
Number of student participants	20
Write up	Attached
Photos	Attached

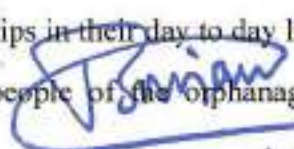

The department of EEE organized a one day CSR – A visit to Orphanage on 14/10/16 at Kalaiselvi Karunalaya,Mogappai Westr. The main objective was to provide some monetary help and some tips regarding their well being to the children. A group of 12 students along with one faculty member went to the home.

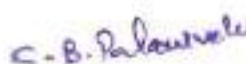

The group interacted with 25 girl children and 20 elders. All the children and elders were happy to have visitors to meet them.

Few children asked for some queries regarding well being to which the student group gave explanation.

Some children were so eager to use this tips in their day to day life.

The program was a success and the people of the orphanage were benefitted from this program.

Report on **WORLD WATER DAY AND WORLD KIDNEY DAY** ; Held on
10-03-2017

SUMMARY OF THE EVENT:

World Kidney Day is a global health awareness campaign focusing on the importance of the kidneys and reducing the frequency and impact of kidney disease and its associated health problems worldwide.

It is a joint initiative of the International society of Nephrology and the International federation of kidney foundations. The intention is to raise awareness about afflictions of the kidney, although many are treatable, they are a secondary medical concern of the greater population. This day is observed worldwide during the second Thursday of every march.

We, in our Faculty of Physiotherapy organized World Kidney Day and world water day on 24/03/16, with the sole motto of creating an awareness regarding the significance of the renal functions & various renal disorders and importance to save water.

Report on PHYSIOTHERAPY CAMP; Held on 05-08-2017

SUMMARY OF THE EVENT:

We have organized a one day, free Physiotherapy, evaluation and treatment camp at ANNAI VELANKANI COLLEGE, SAIDAPET.

The general public have greatly participated and utilized the FREE Physiotherapy services in ANNAI VELANKANI COLLEGE, SAIDAPET. There were around 54 patients who enrolled in the camp.

A team of our internees were accompanied by our faculty members, Dr. G. THARANI & Dr. N. SENTHIL KUMAR to the camp.

Interns gained hands on experience in handling different conditions.

Report on REPUBLIC DAY : Held on 26-01-2017

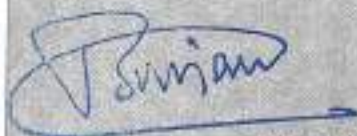

SUMMARY OF THE EVENT:

The *Faculty of Physiotherapy*, observed our nation's 68th republic day in our ACS Medical college & Hospital premises.

Students of the Faculty of Physiotherapy & Nursing participated in the event along with the respective Principals & faculties & took part actively in the parade & honoured the National Flag.

Our Medical Director, Dr. Shah Nawaaz Khan, hoisted the national flag & gave a wonderful talk to the students who are the pillars of the future nation. Our Additional Medical Superintendent, Dr. Loganathan also honored the occasion.

Our students also gave variety performances like group singing, solo performances & dances, with patriotic theme. Entire day was memorable

- Wear the clothing and protective wear identified in your risk assessment
- Laboratory coats must be kept fastened

- Don't wear sandals or open shoes
- Long hair must be tied back
- Never use glassware under pressure or vacuum unless it is designed for the job and suitably shielded
- Dispose of chipped or broken glassware – it is a risk to you and others
- Always dispose of broken glass in a glass bin or sharps bin and not in a general waste bin
- Clear up spillage promptly
- Dispose of any hazardous material as toxic waste
- All laboratory workers should undergo simple first aid training
 - For ALL chemical splashes, wash with plenty of water for 10 minutes
 - Control bleeding with direct pressure, avoiding any foreign bodies such as glass
- Report all accidents to your supervisor or departmental safety officer
- Part of your risk assessment will be to determine how to dispose of waste lab materials safely
 - Solvents and oils must be segregated into the correct waste bottle or drum
 - Your department will help you determine what to do with chemical or biological materials

The faculty of Physiotherapy organized *World TB Day* on 24/03/2018.

World TB Day is observed worldwide on 24th of March. The concept behind this is the first proposal of *Robert Koch* on 24/03/1882 at the University of Berlin that **TB** is caused by *Tubercle bacilli*.

The *International union against TB & Lung disease*, (which has its head quarters at Paris) officially announced on 24/03/1982, (which was the 100th anniversary of Robert Koch's breakthrough invention) that every 24th of March would be observed as *World TB Day*.

On this day our Students presented posters on the theme **WANTED LEADERS FOR TB FREE WORLD**. Prizes were distributed to the best posters.

Report Tree Plantation Programme; Held on 13.04.2018

Department of Civil Engineering - Maduravoyal campus

CSR Programme on "Tree Platisation"

**Chief Guest: Dr. A.N.E. Bhupathi, Executive Social Activist, Town Panchayat, Chennai,
on 13.04.2018 at 3.00 P.M. Venue: Iyyappanthangal.**

The CSR activity on "Tree Plantation" was inaugurated and graced by Dr.A.N.E Bhupathi. Social activist in the town panchayat of Iyyappanthangal. Fifty one number of tree saplings were sponsored by Airavatham Foundations and Ecolife club (Dr.M.G.R Educational and Research Institute). The programme was attended by the executives, local officials and residents of the area at Ashok Brindavan Nagar and Dhanalakshmi Nagar in Iyyappanthangal.

The tree gaurds for all the saplings were sponsored by Dr.M.G.R Educational and Research Institute. The saplings were planted by the students , officials as well as children of the locality. The aim was to inculcate a sense of responsibility towards nature and society. A brief talk was also given on the importance of creating greenery and planting more trees. Emphasis was given on the ill effects which are caused due to negligence and unauthorised tree cutting.

The programme was successfully completed on the same day with the coordination and sincere effort of the faculty members and students of the Civil Engineering Department and the management support, under

Report on Water Quality Analysis for Society ; Held on

Department of Civil Engineering - Maduravoyal campus

CSR Program on "Water Quality Analysis for Society – 28th September 2018

Chief Guest: Dr. T. Felixkala, Dean Students Affairs, Dr. K. Radhika, Head of the Department, Dr. RM. Narayanan, Professor & Mrs. Lekshmi Mohan , Assistant Professor Dr. M.G.R. Educational and Research Institute, on 28.09.2018 at 09.30 AM. Venue: Adayalampattu village.

The Department of Civil Engineering, in association with Eco Life club conducted a CSR programme on "Water Quality Analysis for society". The event was inaugurated by Dean, Student Affairs, Dr.T.Felix kala. Dr.Arivalagan, Dr.K.Radhika, Dr.R.M. Narayanan, Mr. Suresh and Mrs. Lekshmi Mohan were present . Random samples were collected from the residences of the local people in Adayalampattu village. These included bore water samples, drinking water supplied by the Chennai Corporation, drinking water from cans and drinking water from private sources, supplied in lorries. The water was tested for pH, iron content, total dissolved solids, dissolved oxygen and hardness. The testing was headed by Dr.R.M Narayanan. Mr. Kumaran, lab Assistant also played a vital role in the sampling and testing process. The local residents eagerly came forward and were enthusiastic in knowing the results of the samples.

The programme ended on a good note, where the local people thanked the staff and students for their involvement in this programme.

Report on Corporate Social
Responsibility Event
Held on 10/05/2018

The empathy and social responsibility towards underprivileged children are promoted to the Department students through repeated announcements and spreading through peer groups. As a part of the conference EMERGE 18, this was promoted and there was a overwhelming response from the students. The collected clothes were handed over to the BHARATHA MATHA SEVAI ILLAM, Nandiambakkam, Chennai-600120 , and THE BANIYAN HOME, Mogappair, Chennai-37, in the presence of President ACS Arun Kumar and Rector Dr.Ravichandran by the Department Staff and students. The students generously contributed to the noble cause which was duly appreciated and recognized by the beneficiaries. We inculcated "Joy of Giving" among the Department Students.

MGR G9 ENSAV CLUB conducted a preliminary survey at Othapai village, Thiruvallur District on 17th February. The objective of this survey is to collect information about energy consumption in the village. A group of 4 student members from the club along with the club coordinator Ms. Anitha collected the details from the residents. As per the survey recorded the residents are consuming very less amount of energy and 75% of residents use LED lights. They dispose the waste as a landfill and they also utilise the wastes as a manure.

**DEPT OF COMMUNITY MEDICINE
WORLD NO TOBACCO DAY 2019**

**REPORT ON AWARENESS CAMPAIGN HELD ON 12TH JUNE 2019,
INDODDALADAMARA, CHUNCHANAKUPPE**

World "No Tobacco" Day is observed on 31st May worldwide every year. An awareness campaign was organised by Department of Community Medicine to educate people about the harmful effects of tobacco. Campaign was conducted on 12th June 2019 in a government school Doddaladamara at Rural Health Training Centre, Chunchanakuppe.

The campaign was coordinated by Dr A C Shyam, Dr K. Vidusha, Mr Ramesha C and the field staff of RHTC Chunchanakuppe.

Health education was given to the 8th, 9th and 10th standard students. Interns addressed the students on the types of tobacco, the negative impact that tobacco has on people's lung health, from cancer to chronic respiratory disease. Students were educated regarding the risks posed by tobacco smoking and second-hand smoke exposure.

Report on Seasonal Diseases and Precaution; Held on 05.04.2019 at 2.30 PM. Venue: Nerkudaram

Department of Civil Engineering - Maduravoyal campus

The Department of Civil Engineering, in association conducted a ISR programme on "Seasonal Diseases and Precaution". The event was inaugurated by Dean / HOD , Dr.Arivalagan, Mr. A. Suresh, Mr. M. Manikandan and Miss. Priyade were present . seasonal diseases arise due to the change in the environmental conditions during different seasons. To avoid the seasonal diseases in summer, stay informed about its causes & symptoms to detect it at early. Seasonal Diseases Prevention Tips & healthy diet.

Summer Diseases and Prevention

The primary reason behind the outbreak of diseases in summer is the presence of favorable weather conditions for bacteria, virus and other parasites to breed. Here is the list highlighting the best summer health tips to immune oneself from diseases in summer.

- Try to avoid activities outside the home during peak sun hours.
- Avoid exposure to direct sunlight and crowded areas.
- Increase water or liquid intake so as to prevent dehydration.
- Use sunscreen with a higher SPF to prevent skin damage.
- Avoid roadside food or contaminated water.
- Increase the consumption of fruits and vegetable.
- Wear wide-brimmed hats to avoid the direct exposure to the sun.
- Prefer light-colored, loose clothing as dark colors absorb heat.
- Keep your premises healthy and clean.

Summer is a beautiful time to enjoy vacations and spend time with family, friends, making memories only if you are healthy. All that you need to do to stay fit is the little awareness and few precautions to enjoy the good times.

The programme ended on a good note, where the local people thanked the staff and students for their involvement in this programme

**TRAUMA EXHIBITION – SAVE
A LIFE**

The Trauma exhibition – Save a life was organised by the Dr.Mehta's Hospital (Global Campus) from 14th Feb to 16th Feb. This Exhibition is not only organized for professionals but was open to all the general public also so that they can provide the basic life support to the people who are under crisis situation.

The sessions were open for three days from Feb. 14th and 15th February. The students of al basic nursing and the masters in nursing were given a chance to attend the sessions. Different stalls were arranged in which each stall was equipped with resources were adequate training was given on:

1. Basic life support (Adult and paediatric)
2. choking
3. Fracture and dislocation management
4. cut injuries
5. chest pain
6. amputation of body part
7. seizures / stroke
8. poisoning/ Bites and stings
9. electric shock and burns
10. Demo on first aid kit

14th February (Day 1):

On this the first year (49) and the second year (47) B.Sc(N) Students were taken to the exhibition. Two faculties Ms. Packlalakshmi and Mrs. Rema Muktiel accompanied the students to the exhibition. The students were given forms in which their details had been entered: Name, age, Contact number, Institution. The students were divided into small groups so that there will be adequate faculty for the students to observe the sessions, after completion of each session they print a seal to explain that they have been trained in that particular stall. Only when all the stalls had been completed they were given certificate.

15th February (Day 1):

On this day the third year (18) and the fourth year (48) B.Sc(N) students along with M.Sc(N) 1st Year (9) were taken to the exhibition. Faculties Ms. Motcharakini, Ms. Sinthiya, Ms. Thenesha, Ms. Jerlin Jiji Lal and Ms. Florence Nightingale accompanied the students to the exhibition. Our Principal Prof. Dr. Hema V. H visited the exhibition along with us. The Students were given forms in which their details had been entered: Name, age, Contact Number, Institution. The students were divided into small groups so that there will be adequate facility for the students to observe the sessions, After completion of each session they print a seal to explain that they have been trained in that particular stall. Only when the entire stall had been completed they were given certificate. One of the third year student Ms. Jenifer took training on Sunday (i.e., 16th) and got the certificate. Two more students from B.Sc (N) 3rd year received certificate on 16th Feb'20.

Thus the exhibition was very useful for the students which made them to refresh their knowledge and it would have been very useful for the general public also. Thus it was a nice experience.

Health Camp for Women Employees of our University- Women's Day Celebration -2020

ACS Medical College and Hospital and Faculty of Nursing had organized and conducted a Health Camp for Women Employees of our University and other women's as part of Women's Day Celebrations 2020.

The theme for this year International Women's Day is 'An equal world is an enabled world.' International Women's Day offers an opportunity to reflect on progress made, to call for change and to celebrate acts of courage and determination by ordinary women who have played an extraordinary role in the history of their countries and communities.

Doctors of the Department of Obstetrics and Gynecology and Principal, faculties and students of Faculty of nursing examined and advised during the camp.

The following investigations were performed for free of cost. These investigations are chosen in order to identify medical conditions which needs prompt medical care and treatment.

- Pap Smear
- Blood Test - Hb, Urea, Creatinine
- ECG for Women above 40 Yrs if necessary
- Lipid Profile for women above 40 yrs if necessary
- Bone Mineral Density
- Clinical Breast Examination

Total registration of the camp was 110

SHARE AND CARE PROGRAMME - DONATION TO ORPHANS

Faculty of Architecture - Eco Club, Dr MGR Educational and Research institute has initiated share and care programme. This initiative by the management has taught even the students to be a socially responsible person. They visited a mentally retarded and physically challenged children orphanage home and distributed them groceries and food collected from our Architecture department faculties and students. The children in the orphanage were excited when the stationary items, food items and chocolates were given. The institution has initiated an outreach program called 'Share & Care with an aim to fulfill the vision of the Institutional Social Responsibility (ISR) through its strategic goals and objectives.

Report on Community Service - Visit to Childrens Home;Heldon

A place to be visited and taken care.

' All the Children Children's Home' at Viyasarbadi.

Faculty of Education along with NSS team feels so blessed to share the unforgettable moments experienced on 19.03.2021 with the children of the home. Those children were from streets, Orphans... and Semi Orphans....Those children's attitude are tough to handle because of the calamity they came across in their lives. Those children were assured safety first and this organisation take care of their lives. They train them in Drawing, painting, martial arts like karate, silambam etc. Basic education is taken care. They support the children who really wants to aspire in education. No funds from govt. so survival is tough for them. They run this organisation only with the helping hands of the donors. Love and care is important but money is more important for their survival. So, on behalf of our Institution a ransom amount of cheque was donated for their meals.

Department of Information Technology In Association with NSS

Report on Importance of Yoga in Pandemic Situation and Yoga for Modern Life

21-06-2021

Department of Information Technology of Dr. M.G.R. Educational, under the benevolence of our Honourable President sir and under the constant support of our Vice Chancellor Madam, Prof. Dr. S. Geethalakshmi, organized the "International Yoga Day" in association with National Service Scheme (NSS) on 21-06-2021 at 10.30 am.

The session started with welcome address given by Head of the department, Dr.N.Kanya, followed by felicitation address given by Dr.P.S.Rajakumar, Program Coordinator, NSS.

The first session was handled by Mr Don paul, Atman kalari yoga centre, Ernakulam, Kerala who delivered a speech on "Importance of yoga in pandemic situation ". Mrs.K.Nithya formally introduced the speaker Mr. Don Paul. The session was then handed over to him. In his speech, he shared his experiences in yoga and highlighted the necessities of yoga during this pandemic. He gave some introduction about Pranayana, Shatwashaana and Rajayoga. He also spoke about the benefits of yogic vegetarian diet. The session was an interesting one.

The second session was on "Yoga in Modern life" handled by Dr. T. Nalini, Professor, Department of CSE/IT. She was introduced by Ms.R.S.Rashika. Then session was handed over Dr.T.Nalini madam in which she elaborated about various things including what is yoga, how to choose a guru, her experiences in yoga, different types of yoga and specialized kayakalpa yoga. It was a very knowledgeable and informative presentation. - B. Nalini

Report on Old Age Home

The organization aims at giving a safe and healthy environment to the elderly people who are homeless or abandoned by their children for emotional, physical or financial reasons. Initially the target is to spot or through forwarded message the elderly people without shelter and food , they first go and check their physical condition and help them, with sufficient clothes and medications and residence. If any serious health problem is observed , the necessary treatment procedures are followed with financial help. Social engagements such as pilgrimage tours and ceremonies were also done.

The old age home gave a warmth and healthy environment for the old adults. The maintenance was good. The home take care of the psychological well being to the elderly people present there.

Report

"SAI RAM OLD AGE HOME TRUST" is the home for needy elderly people located in Thirumullaivoyl, Chennai. It is a non-profit organization established by Mr. Dilip. Mr. Dilip has been successfully running the organization for 12 years with the support of people who volunteer and help financially and emotionally. The home has been giving all means of support to the abandoned elderly or aged people and helping them to live a healthy and a happy life.

- The main objective of the visit is to gain the practical knowledge about the lifestyle of the elderly people living in the old age home.
- To compare and study the physical and psychological conditions of the elderly residents before and after their engagement in their home.

To understand the role of psychologist and the young people in assisting the functions of a old ae home
