The **Department of Computer Science and Engineering** organized an “**Alumni Interaction Series XIV**” for the IIIrd year CSE students of **Dr.M.G.R. Educational and Research Institute** on 09/03/2022 from 2:00-3:00 PM.

Ms.S.Iswarya III Year CSE-B hosted the event and **Deputy HOD** of the **Department of Computer Science and Engineering**, **Dr.Victosudha George**, gave a brief introduction about the Guest Speaker of the day, **Mr.Jayendu Shrawana, Senior Mainframe Engineer, Fidelity National Information Service, Bangalore.**

Department of CSE Event Report

Mr.Jayendu Shrawana started the session by explaining about the mainframe domain. The speaker explained about various domains and the skills needed to work in the respective domain. The speaker encouraged the students and inspired them by highlighting the directions for taking their next step forward. By the end of the session students got their queries answered by the speaker.

Mrs. S. Amudha, the organizing secretary, conveyed her thanks to the speaker and with that the session came to an end. The session was very informative and interactive, highlighting the importance of projects.

The Alumni event was organized by **Mr. Syed Ali, Assistant Professor, Department of CSE** and **Mrs.S.Amudha, Assistant Professor, Department of CSE.**

The **Department of computer science and Engineering** consider this as a great privilege and honour and we thank our honourable President **Er.A.C.S Arun Kumar** and **all other executives** for the continuous encouragement provided for the success of event.
