EVENT DESCRIPTION:

The Alumni Interaction Series – XI on "Upgrade your systems: what matters in the Corporate?" was organized by Department of Computer Science and Engineering for CSE Students. Srinidhi.S, 4th year, B.Tech CSE hosted the event. Dr.S.Geetha HOD CSE extended a warm welcome to participants and speaker of the event. Mrs.T.Kiruba Devi, Associate Professor, CSE addressed the gathering. Brief introduction about the speaker of the day conveyed in the form of video.
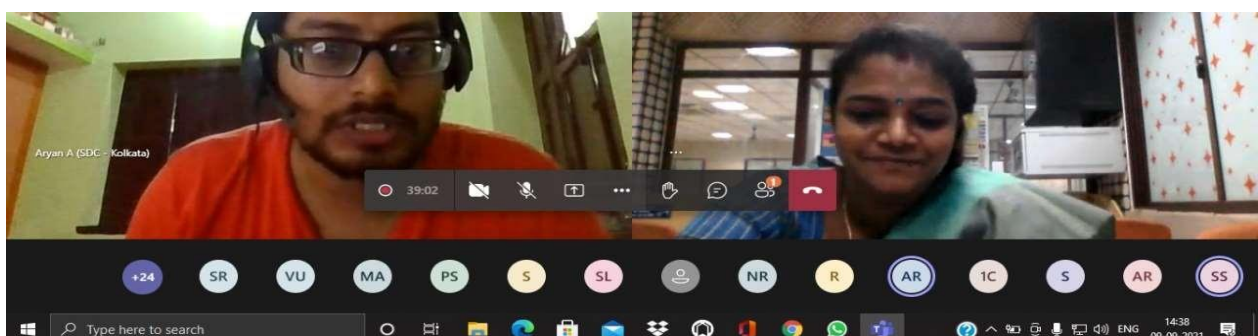

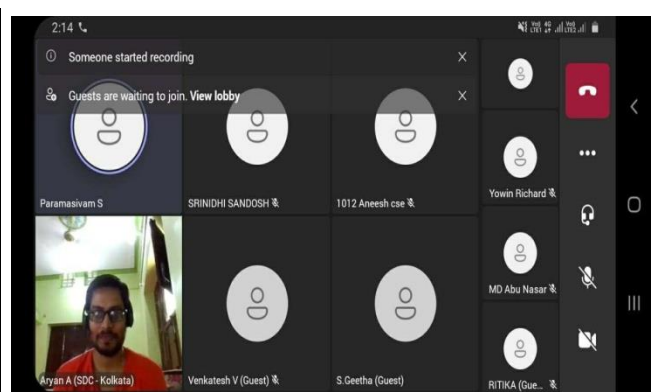

Mr.Aryan started his session on "Upgrade your systems: what matters in the Corporate?" He suggested that getting numbers doesn't matter, just do the thing whatever you want with only dedication and right determination. He mainly highlighted that growing is more important than earning. After the college life we need not to show others what I am and what position I possess we just need to show ourselves instead. He threw light on college life and corporate life, these two are totally different, we just need to upgrade ourselves with market. He also suggested that we need not to be expert in any of the field just do the thing with honestly. Being a Computer Science and Engineering
