EVENT DESCRIPTION:

The Department of Computer Science and Engineering organised the "ALUMNI INTERACTION SERIES-X" for the III Year B. Tech CSE students of Dr. M.G.R. Educational and Research Institute .The session started with the brief introduction about the Speaker of the day Mr. Vikram Vikash. It was followed with the welcome address by Dr. G.Victo Sudha George, Deputy HoD, Department of Computer Science and Engineering, Dr. MGR Educational and Research Institute.

Mr Vikram Vikash started the session by reminiscing about his college days and giving helpful advices from his experience. He emphasised the importance of the subjects and how useful it is for the future jobs. He then answered all the students' questions regarding interviews and extra courses which might be very useful for their future. He also talked about how important Database and SQL for any IT related fields.

The session was interactive and very useful for all the students regarding their future career. The Department of Computer Science and Engineering consider this as a great privilege and honour and we thank our President Er. A. C. S Arun Kumar and all the executives for their support.
