33<sup>rd</sup> CONVOCATION - Session 1  
 (Saturday, 16<sup>th</sup> November 2024 – 3.00 p.m.)

University Annual Report for 2023-2024

Dr. S. GEETHALAKSHMI,  
 M.B.B.S., M.D., Ph.D.,  
*Vice Chancellor*

I feel immensely privileged as Vice Chancellor, to present the University Report, for the year 2023-24 at this 33<sup>rd</sup> Convocation of Dr. M.G.R. Educational and Research Institute a Deemed to be University, Chennai.

I am profusely overjoyed to take this opportunity to Welcome our Chief Guest Hon'ble Minister Shri GEORGE KURIAN Hon'ble Minister of State in the Ministry of Minority Affairs & Hon'ble Minister of State in the Ministry of Fisheries, Animal Husbandry and Dairying, and who has given his valuable time to be with us and deliver the Convocation Address. We are honored by your presence Sir.

Our most revered and respected, visionary Chancellor Dr. A.C. Shanmugam Sir, A great Educationalist and Philanthropist and a Fellow of Royal College of Physicians and Surgeons. Our respected, President of our University Er. A.C.S. Arunkumar.

Respected Secretary Mr. Ravikumar, Pro Chancellor, Provost, Vice President, Pro-VC, Rector, Registrar, Executives, Staff Members, Graduands, Parents, Members of the Press & Media, and other Invitees.

We are in the 38<sup>th</sup> year of yeomen service in the field of Education and are providing Higher Education to all needy people. Our University is a multi-facet University having various Faculty under one roof.

In 2023, MBBS intake was increased to 250 at A.C.S. Medical College and Hospital with simultaneous increase in bed strengths to 1100. The college has also applied for starting Super Speciality Programmes. Another Medical College – Faculty of Medicine – Sri Lalithambigai Medical College and Hospital with 600 beds runs UG program and applied for PG Programs in all the 21 Specialties. Both the Medical Colleges are situated within the city limits with required transport facility and Ambulance Services.

Moreover our Constituent Unit Rajarajeswari Medical College and Hospital, Bengaluru and A.C.S. Medical College and Hospital, Chennai have been accredited by NABH (National Accreditation Board for Hospitals) for the Quality Maintenance of our Hospitals.

With the rise of Education Technology, we have adopted teaching methods of International standard with multidisciplinary approach. E-learning courses, events, programs, examinations were conducted by maintaining the Academic Calendar to benefit the students. Our University implements sustainable energy and social development program and various student development programs.

Our University was promoted with Graded Autonomy Status granted by UGC - MHRD. The credit of this university is, every department in our E&T faculty has received accreditation from the National Board of Accreditation, and Four of our E&T Departments are accredited with Accreditation Board for Engineering and Technology (ABET). This university has been accredited by NAAC with "A+" grade with a score of 3.48 out of 4 point scale. In Atal Ranking of Institutions on Innovation Achievement (ARIIA) our University comes under Band A category.

In the NIRF Ranking 2023 our University has ranked 92<sup>nd</sup> Ranking under University Category, 23<sup>rd</sup> Ranking under Dental Category and 27<sup>th</sup> Ranking under Architecture Category.

Our Deemed to be University was categorized as 'Band A' institution (rank between 06-25) in category of 'University & Deemed to be University (Private-Self-Financed)' in Atal Ranking of Institutions on Innovation Achievement (ARIIA).

Our University has framed a Road Map for the effective implementation and significant initiatives of National Educational Policy (NEP) 2020.

the National Academic Depository (NAD) has been implemented at our University and almost all students have been created with ABC Student Unique IDs.

Our University Examinations were digitalized by avoiding laborious paper works and all Answer Scripts are scanned and sent for valuation for the Evaluators.

More than 100 Programs/Courses have been identified for training under Industry Skilling Program and Centre for Skill Development is maintaining the rest of the processes.

The dream of a developed India is fulfilled in line with our Prime minister's vision for a developed India by 2047. All our Students have been Encouraged to share their valuable ideas on 5 different categories on Viksit Bharat @2047 website in order to make India, a developed country by our 100<sup>th</sup> year of Independence Day.

Our university is committed in encouraging and developing the United Nations Sustainable Development Goals (SDGs). In this regard our University has ensured that 50% of all the Staff, Researchers and Students upcoming projects and publication are aligned with SDGs and also encouraged to incorporate SDGs into the curriculum during any upcoming revisions wherever relevant and feasible.

We have enrolled around 200 Doctoral candidates in the year 2023-24.

UGC approved Online Degree programs are being conducted since July 2021 with a maximum of 13 programs to total strength of around 1500 students.

Apart from this as of now Our University has more than 124 UG and 97 PG Programs. We have currently on our University rolls more than 45,000 students from all parts of India and Global. To cater to these students more than 125 state of art laboratories, various Central Labs, Centre of Excellences in all the faculty are being maintained at our University.

The University has signed 55 MOU (Memorandum of Understanding) with International and National Universities and Institutes of Excellence for collaboration in Research, training and exchange programs, Aviation, AMRI, Newgen Project and Defence Research and Development Organization project and to mention Virginia Tech University has its research Centre at our University and is concentrating on Unmanned Flights in the field of Agriculture.

Being an Educational Institution that has been giving prioritization to the Research and Development and cater to this, we have centre for Advanced Research Institute, Abdul Kalam Centre for Innovation and Entrepreneurship Development, Dr.MGR ACS Satellite Space Technology Center for development of satellite and Research, Industrial Institute Planning Cell for hands on skill training in Industries and Placement, ACS AMRI for Medical Research, etc.

Our University is sanctioning Seed Grant Money to selected candidates whose research projects have been identified in all our University Faculty. During the 2023-24 academic year nearly 100 Research Projects have been granted Seed Grant Money to the tune of Rs.1 crore.

Apart from these our staff Members have received External funding over 10 crores from various Government Agencies like DRDO, DST, ICMR, ICSR, DBT, CARS, ect., through various funded projects for the year 23-24.

I would like to express warm congratulations to all the 5581 graduants who are receiving their degrees presented at this Convocation for E&T, Architecture, Law, Education,

Computer Applications, Management Studies, Humanities & Sciences, Arts & Commerce and Online Program.

Total Graduands : 5581

Bachelor Degree : 4142

Masters Degree : 1439

Rank Holders :

Excellence awardees:

Our University continues to strive for the best and better in its record each year for excellence in Higher Education. Let me conclude with my heartfelt congratulations to all the graduates on their accomplishment.

Thank You!! Jai Hind!!
