University with Special Autonomy Status

GENESIS

Heartfelt Greetings from the Faculty of Education, Dr.M.G.R Educational and Research Institute, Adayalampattu Phase II campus, Maduravoyal, Chennai-95. With immense delight, we bring to your kind notice that we are organising the second national conference on 'Nurturing the Minds of Prospective Teachers in Wellness Education' - VOLTAGE'20 on 6th March 2020. The idea is to bring in well known educationists, distinguished academicians, researchers and students from across the nation to share and disseminate information such that the meaning of education takes deeper roots and benefits for both the student and teacher community on a wider scale. We take pleasure in welcoming you to the conference and look forward to your valuable participation and presentation of papers that well reflect the Thematic / Research areas. This definitely will enlighten the academic fraternity on the whole and also lead the conference to a thumping victory.

ABOUT THE UNIVERSITY

Tmt.Kannammal Educational Trust was constituted in 1985 with an aim to bring about change and progress through education. This trust started the Thai Moogambigai Polytechnic College in the same year. Within three years of its inception, Dr.M.G.R Engineering College was founded in 1988 and the Thai Moogambigai Dental College was started in the year 1991. Both the colleges acquired Deemed University status in 2003 as Dr.M.G.R.Educational and Research Institute as per the orders of the University Grants Commission, New Delhi and the Union Ministry of Human Resources and Development, Government of India, New Delhi. The A.C.S. Medical College and Hospital, Velappanchavadi, Chennai, started in 2008 has been brought into the ambit, as a constituent unit of Deemed University, through MHRD Notification.

The University has been accredited with "A" Grade by NAAC and it has been reviewed and recommended by statutory bodies, viz. UGC, NBA, ABET, IAO, NABH Dental Council of India, Medical Council of India, Council of Architecture and NCTE. It is also certified with ISO 2018-21001 by TUV SUD South Asia Private Limited.

ABOUT FACULTY OF EDUCATION

The Faculty of Education was established in 2005 by Dr.M.G.R. Educational and Research Institute. It is a co-educational institution offering two years B.Ed course with an aim to achieve professional values and develop learning skills among the teacher educators by generating 4Cs- Curiosity, Creativity, Competence and Compassion. For more than a decade i.e. from 2006-2019 the Faculty of Education has been producing 100% results and this has been possible due to relentless service by eminent and dedicated faculty members.

ABOUT THE CONFERENCE

The aim of the conference is to promote healthy interaction and enthusiastic participation amongst educators and also enable them to reach their full potential which is a marking priority in all educational institutions across the nation. The conference mainly focuses on fostering and enhancing the quality of young and dynamic teachers such that they can serve the student group better. The nature of wellness education manifests a holistic approach in physical and mental health. Wellness builds students capacity using strength-based approach that recognizes and positively engages them with their peers and like-minded individuals. The conference on the whole provides a huge platform for prominent researchers to highlight their most recent work and share knowledge of current issues to promote wellness amongst teachers.

OBJECTIVES

- To create an awareness on productive and proactive mindset
- To enhance knowledge of teachers in social work leading to the upliftment of student community
- To develop collaboration with academic institutions to establish consortiums and to encourage wellness education
- To achieve optimal health and well-being in self, in others and their communities
- To foster knowledge in self-regulations and self-efficacy through various skills

Thrust Areas

1. Psycho-social and health problems of the students.
2. Personality development and soft skills of prospective teachers.
3. Challenges and Issues – disruptive behaviour in the classroom.
4. Philosophical ideas on mental wellness.
5. Effects of yoga on mental and physical health.
6. Fitness measures and healthy institutional practices of well-being.
