

Technology talk on 'Basic Statistics'

A technology talk was held on 8.1.2020 at 11.00am in the smart classroom. Dr. Mohana, Assistant Professor, School of Advanced Sciences, Division of Mathematics, VIT, Chennai delivered a lecture on 'Basic Statistics'. The session was useful and informative throwing limelight on the following basic statistical aspects like

- Measures of central tendency
- Measures of dispersion

The session on the whole was a useful one from the research aspects like qualitative and quantitative data collection and evaluation.
