

## INTER DISCIPLINARY LECTURE

With colossal pleasure we would like to share the report of the Interdisciplinary lecture on 'Introduction to Oral Health' by Dr.R.Kesavan, Prof. from Thai Moogambigai Dental College and Hospital, on 23.8.2021 that featured the different departments in Dentistry and its functions. An elaborate explanation on the type of teeth and its functions was showcased. The infection caused and the preventive measures were detailed during the session. It was a useful and informative session.
