

## Interdisciplinary Lecture

Faculty of Education feels elated to share the report of the Interdisciplinary Lecture held on 10.04.2023 at 9.30 a.m. with B.Ed first year and second year students. The session was chaired by Dr. Prashanth P., HOD, Dept. of Dentistry, Sri Lalithambigai Medical College & Hospital on the topic 'ORAL HEALTH'. He highlighted that Mouth is the only Gateway for a healthy body. He explained about the issues related to teeth, gums and brushing techniques. He also suggested many treatments for the issues. The session was very interactive as well as expressive.
