

ISR Event on Clean India

We are delighted to share the report of an 'ISR Event' on 'Clean India' at Govt. Park, Keel Ayanambakkam, was organized by the Faculty of Education, Dr.M.G.R. Educational and Research Institute on 24.01.2024 with B.Ed. I year Students. Engaging in social service initiatives for Clean India involves actively participating together to organize cleanliness campaigns in public spaces, such as parks, streets, or marketplaces, to instill a sense of responsibility and awareness among the community members. Students worked tirelessly to clean the park, collecting litter and debris from various areas. To actively involve students in community service, fostering a sense of responsibility and civic duty among the younger generation. Through collective efforts, the students not only revitalized a public space but also instilled a sense of responsibility and awareness among community members. We express our deep sense of gratitude to our Honorable President, Er.A.C.S. Arunkumar for his constant support. We thank all the executives for their continuous encouragement. We immensely pleasure to thank our transport department for providing transport facilities.
