The image shows a series of posters for a Pulse Polio Vaccination Camp. At the top, there are three logos: a red circle with 'D P H', the Tamil Nadu State Emblem, and the National Health Mission logo. The main text is in Tamil, reading 'போலியோ சொட்டு மருந்து சிறப்பு முகாம்' (Polio Vaccine Special Camp) and 'வளமான வாழ்விற்கான ஒரு துளிகள்' (A drop for a better life). A central image shows a baby being vaccinated. Below this, the date '31.01.2021' is displayed in a green box, followed by the text 'ஞாயிற்றுக்கிழமை' (Sunday). The bottom text describes the campaign: '5 வயதிற்குட்பட்ட அனைத்துக் குழந்தைகளுக்கும் ஏற்கனவே எத்தனை முறை போலியோ சொட்டு மருந்து கொடுத்திருந்தாலும், தவறாமல் மீண்டும் சொட்டு மருந்து கொடுப்போம்.' (For all children under 5 years of age, even if they have received the polio vaccine before, we will give it again without fail.)

Tamil Nadu 17th Oral pulse polio immunisation campaign drive was set on 31.01.2021. The World Health Organization (WHO) recommends all children be fully vaccinated against polio. The booths were established at all the primary health centres, Government Hospitals, Integrated Child Development Centres, Noon Meal Centres, Schools, Bus stands, Railway Stations, Air Ports, Toll Plazas and Check Points by the Tamil Nadu Government. The first year and second year students of Faculty of Education (B. Ed.) participated in this weakened polio virus given by mouth (OPV) campaign as the Institutional Responsibility with full of enthusiasm and excitement and shared their experiences through the photograph.
