

Orientation programme on how to initiate UN SDG Projects through IGEN

We are delighted to share the report of orientation programme on how to initiate UN SDG Projects through IGEN which was jointly organized by IGEN (The Institution of Green Engineers) and Faculty of Education, Dr. M.G.R Educational and Research Institute on 21st August 2023, 11:00 a.m. at K101 Smart Room, Phase II, Adayalampattu Campus with B.Ed faculties, research scholars and 2nd year students . The resource person of the day was Prof. Dr. L.Ramesh, Joint Registrar, EPA, Dr.M.G.R Educational and Research Institute. He gave an introduction about UNSDG's 17 goals. He enthusiastically explained UNSDG goals with proper examples. He insisted the importance of various projects and motivated the students with different project videos done by UNSDG members from different fields. Hence, the session was so icebreaking. We express our sincere thanks to our Honorable President for granting us permission to organize the event. We also extend our gratitude to all the executives for their constant support and guidance.
