Faculty of Education feels elated to share the report on "**Innovation and experiments in Schools**" held on 05.04.2022 with 65 participants. The session was hosted by Ms.S.Jamuna, Computer Teacher, Chennai Girls Hr. Sec. School, Nungambakkam who addressed about the M-learning which is a new way to access learning content using mobile devices and continued with the benefits of virtual reality. She highlighted the opportunities of teaching job in international level schools and also in central/state level schools in India. She mentioned the eligibility test conducted by Central and state government for government job in Education. The day was really thought provoking.

10:27 AM | 1 Y Regular Class Link

10:27 AM 4/5/22

The interface shows a Google Meet session. The main display area contains two side-by-side images. The left image shows a group of people, some in white uniforms, in what appears to be a meeting or presentation. The right image shows a group of children in colorful dresses standing in a line outdoors. The right sidebar contains a grid of participant avatars, including Jamuna Jai (highlighted), Mariya Sankha, Principal Bcd, Rakha guani, AZHAR AK, Jafin B, and '43 others'. The bottom of the screen features a control bar with icons for mute, video, chat, and other meeting functions. The system tray at the very bottom shows the Windows taskbar with various application icons and the system clock.
