

Technology Talk on E-Assessment

Faculty of Education feels elated to share the report of the Technology Talk held on 11.04.2023 at 09.30 a.m. with B.Ed first year and second year students. The session was chaired by Mr. Y. Amala Frank Jayaseelan, IT Software Trainer, Loyola Institute of Business Administration on the topic 'E- Assessment'. He insisted that the E-Assessment is the best method to assess the students. He highlighted about the types of assessments and e Proctor methods. He demonstrated about the LMS -'Moodle' to the students. The whole session was interesting and interactive.
