

## VASITA '19

'A one day national level symposium ' versatile action to stimulate the innovative tenacious attitude - VASITA '19 - ' A creative splash on 27.9.19. Ms.Stella Pauline Punitha, Principal , CEO , The Schram Academy , was the guest of honour inaugurated the symposium and released the souvenir VASITA '19. Dr. G. Gopalakrishnan, Provost delivered a special address on the responsibility of the teachers. The chief guest address was informative regarding the demand and respect for the teachers worldwide and requested the teachers to be dedicated and to be the role model in practicing what they teach. A special mention was made about the two young girls. Malala fighting against the barriers preventing the girl children from school and created trust in helping the girls education. Greta Thunberg a Swedish environmental activist focused on the risks posed by global warming at the young age of 15. By highlighting the achievements of the young girls she motivated the audience to contribute their lives for the upliftment of the society.

To showcase the hidden potential and gain confidence in co- curricular activities the following eight events were organised after the inauguration in connection with VASITA'19 'A creative splash'.

- PPT
- Poster
- Puzzle
- Quiz
- Cooking without fire
- Art with waste
- Connections
- Block and tackle.

153 students from 14 different colleges and nearly 20 students from three different schools from junior category participated with full of zeal. The events were organised in 8 different venues as a parallel session. Prizes and certificates for the winner were presented and certificates for the coordinators and participants were distributed. It was highly motivational for all the students.
