GENESIS

Greetings!

On behalf of Faculty of Education, Dr. M.G.R. Educational and Research Institute, Adayalampattu, Phase II Campus, Maduravoyal, Chennai, Tamil Nadu, India, we are pleased to bring to your kind notice that we are organizing the Second International Online Conference (IOC-2021) on **Enhancing Human Potential-"Psychological Insights"** during October 7th and 8th 2021. It is the premier interdisciplinary forum to bring in the ideas of well known educationists, distinguished academicians, researchers and students from across the globe present their latest research results, ideas, developments and applications in all areas of psychological aspects increasing Human Potential. The meaning of education takes deeper roots and benefits for both the students and the teacher community on a wider scale. Due to an uncertain situation, that resulted in very difficult travel restrictions we are pleased to welcome everyone to the International Online Conference (IOC - 2021). We look forward to your valuable participation and presentation of the papers that reflects the Thematic/Research areas which definitely will enlighten the academic fraternity.

ABOUT THE UNIVERSITY

Dr. M.G.R. Educational and Research Institute is recognized as a Deemed to be University and is graded as an autonomous body. It acquired Deemed University status in 2003 as Dr. M.G.R. Educational and Research Institute as per the orders of the University Grants Commission (UGC) and the Ministry of Human Resources and Development (MHRD), Government of India. It is accredited by NAAC with 'A' Grade and has received ISO Certification by TUV SUD South Asia Private Limited. It has been reviewed and recommended by statutory bodies, viz. UGC, NBA, ABET, IAO, NABH, DCI, MCI, CoA and NCTE. Deemed to be University offers undergraduate, postgraduate programmes and Research in various disciplines. It is reviewed and recommended by statutory bodies, namely AICTE, DCI, MCI, INC, PCI, NCTE and BCI. The Institute has 14 faculties with 876+ teachers, 11,300+ students, 2,458+ research and 44+ awards. It has brought about educational reforms in building a 21st century education system and this quarantine period has revolutionized education system towards virtual learning for which the teachers as well as the students are well equipped in organizing webinars and converting the teaching materials into digital formats.

ABOUT FACULTY OF EDUCATION

To promote improvements in the quality and usefulness of education, The Faculty of Education was established in 2005 by Dr. M.G.R. Educational and Research Institute. It is a co-educational institution offering a two years B.Ed. course with an aim to achieve professional values and to develop learning skills among the teacher educators by generating 4Cs - Curiosity, Creativity, Competence and Compassion, in order to supplement and complement NCTE. For more than a decade i.e. from 2006 - 2021 the Faculty of Education has been producing 100% results and this has been possible due to relentless service by eminent and dedicated faculty members. The paradigm shift in education has enabled to achieve the goals towards education and that was explored by the Faculty of Education in building a digital replica system that has the capacity in delivering excellence in education for all the students through virtual medium by the means of internet enabled technical devices. Research programmes in education (Ph.D.) has flourished since 2016.

ABOUT THE CONFERENCE

Humanity is the Crown of Creation. The vision of humanity has been constantly evolving as reassessment of values and goals take place in society. Psychology is a fastest growing career field in India. The professional and psychological insights are handled by psychologists to improve decision making, stress management and behavior.
