

## 5 DAY TRAINING ON ART AND CRAFT

“Painting from nature is not copying the object, it is realizing one's sensations.”

- Paul cezzane

With immense pleasure we would like to share the report of the 5 DAY Training on ‘Art and Craft’ , Day 1 held on 15.9.2022 at 10.30 a.m. at B.Ed. II year classroom, Phase II campus. The event instigated with a warm welcome address by Dr.K.Geetha, Principal. The chief guest of the day Mr.A.Thomas, Market Development In charge, delivered an enriching and illuminating thoughts about Art and Craft. The mentor for the day Mrs.Geetha, a Fevicryl art professional gave a brief note upon the 5 day workshop, which includes pencil shading, colour theory, Indian art forms,3 D glass painting, study project, best out of waste, creative art and mural art. The day one covered the topics, pencil shading and colour theory.

On Day - 3 -The mentor Mrs. Geetha taught the students various methods of drawing lines and different shading techniques using various pencil shades. Followed by giving brief note upon colour theory. Students were engaged in drawing various types of lines and strokes ,including painting of various colour theory, such as primary and secondary colour , warm and cool colour etc. The students were highly motivated to learn, explore and grow.

On Day -2 - Day two covered two topics such as “Indian art form” and “Best out of waste”. Students were eagerly engaged during the whole process and used various types of artistic styles by using colors such as primary and secondary color, warm and cool color etc. The students were highly motivated to learn, explore and grow.

On Day 3 - Day three covered two topics such as “Mural Art” and “Glass Painting”. Students were eagerly engaged during the whole process and used various types of artistic styles such as molding and texture, etc. The students were highly motivated to learn, explore and grow.

On Day 4 - 20.9.2022 students got trained on two artistic skills, “Mural painting” and “3D outliner embroidery”. The students were deeply focused during the whole process and brought out their creativity by using various color combinations and designs to enhance the art. The students were highly motivated to learn, explore and grow.

On day 5 - 21.9.2022 students got trained on the artistic skill named, “Glass painting” hosted by Mr. Thomas and Mr. Kumar. Students enjoyed the session and enhanced their art with creativity and colorful patterns. The session came to an end with the Distribution of Certificates to all the participants. The students successfully mastered the art of painting and its various techniques.
