

We are delighted to share the report of the Short Term Course (Day 2) on ‘Improving Computing Classroom Practice Through Action Research’ which was organized by the Faculty of Education, Dr.M.G.R. Educational and Research Institute on 11th April, 2023 with nearly 358 participants. The session was chaired by Ms.J.Rubina, Assistant Professor., Stella Matutina College of Education on the topic ‘Improving Computing Classroom Practice Through Action Research’. She highlighted about the scope and types of action research. She discussed about major concerns of the problem faced by the students and the solution to it. The topic discussed will be of great benefit to the listeners in adapting it in the teaching learning process and will surely be helpful for the teachers’ approach in their life. The session ended with vote of thanks. The Faculty of Education is pleased to express its gratitude to our Honourable President for the opportunity to organize the events that enkindle the minds of the learning fraternity. We also extend our gratefulness to all the executives for their constant encouragement.

We are delighted to share the report of the Short Term Course (Day3) on ‘ Interdisciplinary Learning: Working Across discipline’ which was organized by the Faculty of Education, Dr.M.G.R. Educational and Research Institute on 12th April, 2023 with nearly 335 participants. The resource person Dr.Rita Rani Mandal, Asst.Prof. Lady Willingdon Institute of Advanced Study in Education, Chennai, gave an intricate talk about Multi-Disciplinary Teaching . She highlighted that Multi-Disciplinary Approach to real time problems paves way to solutions; hence team teaching and liberal education will well equip the professionals in this competitive era. She affirmed that Interdisciplinary Learning empowers students as better thinkers, collaborators and problem solvers. The session ended with a vote of thanks.

We are delighted to share the report of the fourth day of the Short-Term Course - 'THE ART OF PROFESSIONALISM' which was organized by the Faculty of Education, Dr.M.G.R. Educational and Research Institute on 13th April 2023 with nearly 278 participants. The chief guest Dr. A.Shyamala Devi, Asst. Prof., University of Madras, Chennai gave a crystal clear and elaborate presentation on the topic "LMS Supported Blended Learning". During the session, she highlighted the need as well as the benefits of Blended Learning in this technological era. She emphasized that teaching professionals should well equip themselves with technology and act as facilitators to teach and manage Gen-Z kids. She briefed on a few software that would help the teachers to create their own content using LMS (Learning Management System). The session ended with a vote of thanks.

We are delighted to share the report of the Short Term Course (Day 5) on ‘THE ART OF PROFESSIONALISM’ was organized by the Faculty of Education, Dr.M.G.R. Educational and Research Institute on 17th April, 2023 with nearly 357 participants. The session was chaired by Dr. V. Nalini, Asst. Prof., Vels Institute of Science Technology and Advanced Studies on the topic “Creating an Inclusive Classroom”. She highlighted the history, aims, objectives and importance of inclusive education. She mentioned marginalization, rules of interpretation codified in the Vienna Convention, United Nations Convention, Education as Human Right, NPE 1986, Person with Disability Act, 1995, NPE 2016, Practice of Inclusive Education, RPWD Act 2016 and initiative programs taken by Government. The topic discussed will be of great benefit to the listeners in handling today’s classroom management and will surely be helpful for the teachers’ approach in their daily life. Dr.N.Kanya, HOD & Additional Dean, Engineering & Technology, Dr.M.G.R. ERI addressed the Valedictory Session. It was enlightening and motivating. The report of the five-day short-term course was elaborated by Mrs.J.Vigneswari, Asst. Prof., Faculty of Education, Dr.M.G.R. ERI. The session concluded with a vote of thanks.
