

CRITERION VI: GOVERNANCE, LEADERSHIP AND MANAGEMENT

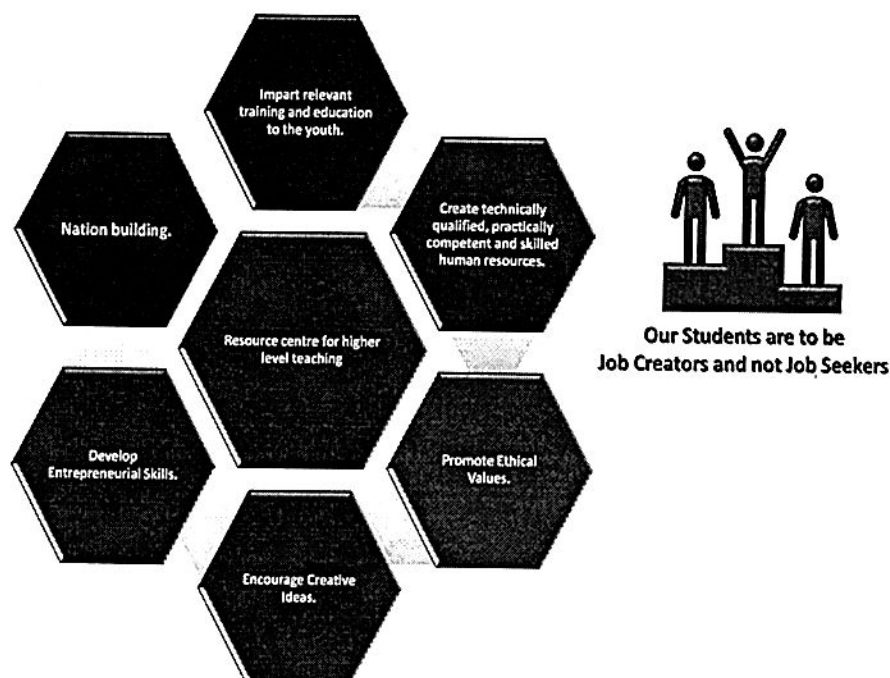

6.1.1 The Institution has clearly stated vision and mission which are reflected in its academic and administrative governance (500 words)

Our Vision

To provide for contemporary knowledge delivery of global standards, excellence in knowledge creation in emerging areas and mutually rewarding university – societal interaction

Our Mission

To make the institution as a resource centre for higher level teaching – learning process, in the fields of engineering, dental surgery, medicine, allied health sciences, humanities & sciences, architecture, management & education, so as to impart relevant training and education to the youth to make them technically qualified, practically competent and skilled human resources, to suit the needs and demands of the modern industries, business or research and development organizations, besides promoting ethical values and encouraging creative ideas among the younger generation and thereby to develop their entrepreneurial skills which will ultimately benefit the society and nation.

Departmental Vision & Mission, Goals & Objectives have been integrated with the University Vision & Mission ([Link 6.1.1 – https://www.drmgrdu.ac.in](https://www.drmgrdu.ac.in)). The Mission statement is duly propagated through display boards as well as information brochures for awareness of stakeholders and to serve as reminder to students and employees of the University.

The Vice-Chancellor is the Head of the Institution. She is assisted by the Registrar, Controller of Examination and Deans in all academic and administrative matters. Our University has achieved a balanced governance and management approach for effective and efficient institutional governance. The Vice Chancellor as the Principal Executive Officer is vested with authority and responsibilities well delineated in the Statutes of the University.

The Academic Council chaired by the Vice Chancellor, is the supreme body. As the

Chairperson of this body, the Vice-Chancellor ensures the smooth functioning of the University in the development of management system, implementation of policies framed and for continuous academic improvements.

Dr. M.G.R. Educational & Research Institute, (Deemed to be University Decl. u/s Sec 3 of the UGC Act 1956) has followed a policy of decentralization of academic and administrative tasks since its inception. In the organizational hierarchy, statutory bodies like the Board of Management, Planning and Monitoring Board, Finance Committee, Advisory Board, Academic Council, Research Advisory Committee, Boards of Research, Boards of Studies, Internal Quality Assurance System, Institutional Ethics Committee and other committees have also been constituted. All constituent institutions/faculties have always had administrative and academic autonomy, although, as specified in the UGC (IDU) regulations, within the framework of the institution's rules and bylaws.

Stakeholders are invited to engage and openly express their opinions in order to reach the vision and mission of our University. The University fosters a strong interaction with the Industry through Boards of Studies, Academy-Industry Summits, Placements, Industrial Visits and Consultancy Projects. IQAC, Parent Teacher Association, Boards of Studies, Industrial Institute Planning Cell, Alumni Cell, Class Committee Meetings, and University level Committees constituted with stakeholders participation in decision making..

Good governance and decentralization of academic and administrative approach lead to various national and international accreditation of our institution like ISO, NBA, NIRF, ABET and NABH, NABL, AIIRIA (Link2 - <https://www.drmgrdu.ac.in/Ranking-amp-Accreditation/300>).
