TITLE

ALUMNI INTERACTION SERIES VI ON " FULL STACK DEVELOPMENT"

CONTENT

The Department of Information Technology conducted an Alumni Interaction Series VI for all the students of the IT department on February 23rd, 2022 between 2 p.m. to 3 p.m.. The Alumni Interaction section was given by Ms.Jayashree Janani Purushothaman, FS Application programming developer, TCS, our alumni on the topic "Full Stack Development". The session was streamed via Zoom.

The session started with an introduction by Ms. Nivethitha, IInd year. This was followed by a formal welcome address by Ms.U.Surya, Assistant Professor, Department of IT, Alumni Coordinator and the session was handed over to our alumni.

Ms Jayashree Janani Purushothaman in her lecture covered what is Full stack development, how it is important for building web pages and gave a brief introduction on back end and front end tools. She explained the outlet of html 5 language and the CSS language and where to use it, and she even covered topics like Javascript and Java. She interacted with the students and cleared everyone's doubt on Full Stack Development , handled great.

To end the event, Ms.Preeti, IInd Year delivered the vote of thanks. The webinar was attended by all the IT department students and they were highly benefited. The
