REPORT

TITLE

Subject Lecture on" Object Oriented Programming In C++"

CONTENT

A Subject lecture on the title "Object Oriented Programming with C++" was organized by the Department of Information Technology on 9-9-2023 between 2:00 p. m. to 4 p.m. at University Auditorium RA Block. The guest speaker was Mrs. C. Sharmila, Assistant Professor, Department of Information Technology.

The session started with a brief introduction given by Mr. A.P. Babu, Assistant Professor Department of IT. Ms. Harini, III IT A quickly briefed about the guest speaker, Mrs. C. Sharmila before handing over the session to him.

Mrs. C. Sharmila started the session with. History of C++, she explained the different object oriented programming concepts, applications of OOPs and fundamentals of C++ programming. She made the session very interactive by posing simple questions that the students were able to think and answer. She also explained the queries of students in a simplified manner.

To end the event, Mr. Hemachandiran, III IT A delivered the vote of thanks. This lecture would support them to understand the basic programming. The overall event was coordinated by Mr.A. P. Babu, Assistant Professor.
