REPORT

TITLE

Professional Society Event on "YUVA- First Aid Awareness"

CONTENT

The Department of Information Technology & YUVA MGR CHAPTER organized a Professional society event on First Aid Awareness

In association with SLMC&H for the students of B.Tech-IT third year and final year on 21.07.2023 at University auditorium RA block main campus at 10.00 am.

The session was presented by Dr.M.Srimathi, MBBS, MD(Community Medicine), and Dr.Rajsri, MBBS, MD (community medicine), Sri Lalithambigai Medical College.

The session started with a formal welcome address by Prof. Dr. N. Kanya, HOD-IT, and an introduction about the chief guest by Ms.Harini, B.Tech IT third year.

Dr.Shrimathi in her speech has addressed the different medical emergencies like fainting, injury, nasal bleeding, fracture, and seizures. She gave a brief idea about the warning signs and symptoms of all the above medical emergencies, the first aid process to be given, and advised the students about what should not be done during an emergency. She explained the different types of injuries like cuts, eye injuries, knocked-out teeth, fractures, and amputation. And explained the causes for it and how to suspect it.

Dr.Rajshri, in her speech, highlighted emergency preparedness and the importance of calling the ambulance, rushing up to the hospital, and insisting the students not delay while the emergency. She also taught the students about the first aid process to be taken during emergencies like biting, choking, and drowning.
