- **EVENTS LIST**

**Dr. M.G.R. Educational and Research Institute – MAGIC ASSOCIATION**  
**(MGR Associations for Great Innovative Creators).**

The main objective of the Association is to bring out the student council as a representative structure through which the students get involved in the affairs of the university, working in partnership with management, staff, and students for the benefit of the university and students which is formed to create and share the innovative ideas. They are the interface between the management, staff, and students to work together to identify the various issues that affects the students directly or indirectly.

The Department Association Has 30 departments which forms an efficient way to motivate them and for every 6-month suggestions and opinions would be given to upgrade the association. The ISR is formed as an awareness Program for the welfare and the upliftment of the society-based issues. Every department have professional society chapter in which different society chapters to seek the particular interest of the individual and organization.

The objective of the **MAGIC AWARDS AND MAGIC ACHIEVEMENT MEDALS** is especially for the students who work for the welfare of the department and the university. At the end of every semester feedback meeting will be held for the effective upliftment and appreciation also will be provided.

There are certain Council bodies created for the upgradation in the teaching methods, improvements in the academic standards. Students discipline which is ensured at its best, guidelines given to the students to utilize the placement and training for the development in their career. Added with this there are lot of events happening like convenor meetings, awards & medals, semester plans, Jackprodigy plans and many more.

**DEPARTMENT ASSOCIATION:**

It posses around 30 departments each department has framed student council to strengthen the events in an effective way by honoring them in different departments.

Every 6 month we have meeting along with the convenor and office bearers to get the suggestions and opinion to upgrade and to strengthen the association.
