TITLE

Techastra'21 "TECH-CO-WIN"

CONTENT

The *Inauguration* of Techastra'21 started with the Tamizh Thaaai Vaazhthu. Followed by the welcome address which was delivered by Guntupally Shalini, Student Coordinator. Dr.S.Geetha Head of the CSE department spoke about techastra'21 to the audience and Dr.S.Geethalakshmi Vice Chancellor gave an introductory address, followed by the presentation of the theme video of Techastra'21. Up next Srinidhi.S, Student Coordinator gave an elaborate note about Techastra'21. Followed by the Special address by Dr.V.CyrilRaj, Joint registrar. Kiran Prasath, Student Coordinator delivered the chief guest introduction. Ms.G.Savitha Priyadarshini, chief guest and also our alumni gave the inauguration address. Followed by the Vote of Thanks by Lokesh Bora, Student Coordinator.

In Aware-o-Covid we asked the participants to make an Awareness Video on Covid-19 the responses were overwhelming but due to this pandemic not all of them were able to make a video but still we got very informative and mindful videos from 6 participants. Dr.Jeevalatha mam head of VISCOM Department honoured our event by being our judge. The judge gave her inspirational thought provoking ideas and her views over the topic and suggestions to improve the standards of the videos. The event became a great success and the winners were rewarded for their success.

In Rebuttal Rebels, there were participants from various colleges who enlightened us with their presence and performance. They presented their debate over the topic

next three events which is; Webinar, Hackcovest and Pitcher Presentation on the second day.

There were about 250 and more audience who took part in every other event. Also, we received hundreds of registrations from students of different colleges, from various states and cities throughout India. From the registered students, there were about various number of participants who took part in the event and won cash rewards, excellence certificates and participation certificates.

Techastra'21 which was themed as Tech-co-win, on which participants prepared on each event was very helpful in creating awareness. Every other participant showcased their unique talent through different sorts of information and knowledge that shared between every other. As the main motive of organizing Techatra'21 is to spread vast information, knowledge, creative and unique thoughts to overcome the pandemic.

As planned, the participants and the speakers of every event, tried to spread every piece of knowledge that they had which was indeed a success. On every other event participant shared every bit of information that could possibly create an awareness between the audience through online. The awareness created and spread in between the audience of the events will also create and spread the same between outsiders.

From Techastra'21 everyone including the organizers, judges, speakers, audience, participants have got to know so much about the pandemic. Where also the other people throughout the world who have watched the livestream of Techastra'21 through YouTube should have also gained few sorts of information about the pandemic.

As already mentioned, the motive of Techastra'21 which was themed as Tech-co-Win, to spread positivity through technology and to create awareness and spread the same between people who took part in every single space of the events. Since the main motive of the event was executed on the correct track, Techastra'21 is a grand success.
