## President's Message

It is a great experience to partake enthusiastic in this induction ceremony, especially when it is our student scholars and faculty with enthusiastic acumen in their elected designation field. Dr. M.G.R. Educational and Research Institute, aims to provide great potential and opportunity for our student scholars and also for the faculty by providing the association of MAGIC – MGR Association Great Innovative Creators for their welfare in the Institute and also for the society. The MAGIC has been instituted by this Institute to encourage young scholars and members of the faculty to enrich their experience through works in all fields and to explore with high impact factor. It is a matter of great pride as you all are elected among all the others in your department and Institute.

The members who are honored on this occasion deserve appreciation as they represent the spirit of this Institute as an association united as one. I congratulate the faculty and students of this Institute who left no stone unturned in the process of encouraging the MAGIC office bearers who helped in organizing this event. I congratulate the office bearers and will endeavor to inspire and empower the scholars to be lifelong learners, critical thinkers and productive members of MAGIC and of an ever changing global society.

“Success has a price, the more you pay the richer it makes you,  
The harder you work, the happier you become”.

**Er. A.C.S. Arunkumar**

### Vice-Chancellor's Message

The main focus of our Institute is to empower the MAGIC with great knowledge in the highly competitive global scenario. Keeping this in mind the discussion for planning & execution of association was initiated and it is continuing in this academic year with the new textured name "THE MAGIC". In recent years, our Institute has reached a notable position on par with high indexed other institutes. I am pleased to congratulate the great scholars who had nurtured their talents in achieving this designation in the MAGIC.

**Prof. Dr. K. Meer Mustafa Hussain**

### Pro Vice-Chancellor's Message

"If the newborn twigs and their leaves were all that existed, they would form a vague halo of green suspended in mid-air, but surely that is not the tree. The leaves, by themselves, are no more than trivial fluttering decoration. It is the trunk and limbs that give the tree its grandeur and the leaves themselves their meaning. There is not a discovery in science, however revolutionary, however sparkling with insight, that does not arise out of what went before" – (Isaac Asimov).

This Institute has seen considerable growth in the past couple of years in the association. Our Institute Faculty Members and students' contribution and achievements towards this MAGIC are acknowledged by our institution. This MAGIC was started with a vision of providing a better foothold for the faculty and the students in their department and Institute to inculcate competence in the society. Our President promoted the idea of honoring the office bearer for their contribution in quality and quantity through "MAGIC"

I congratulate the faculty and students who had taken pain to acquire this within a short span of time.

**Prof. Dr. M. Ravichandran**

### Registrar's Message

It is indeed gratifying to note that the MAGIC of Dr. M.G.R Educational and Research Institute, under the able stewardship of President Thiru. Er. A.C.S Arunkumar, in bringing out the best in each faculty and students and motivating scholars to scale greater heights by instituting this kind of functions.

I congratulate the office bearers for their hard work, productive approach and for their genuine commitment towards this MAGIC

**Er. P. Rajkumar**  
University Association Convener

## Introduction

Dr. M.G.R. Educational and Research Institute have the history of 33 years of its successful functioning under the guidance of Founder Chairman, President, Secretary, Executives and Heads. In order to encourage the students and to provide a common platform for the students of the university to carry their activities, the heads and the faculties of Dr. MGR Educational and Research Institute decided to form an Association. As a result, the MGR Association was formed and came into existence.

MGR Association is a mean by which the students of the university can come along together and form themselves as an Association. The students get an opportunity to know, understand and learn about the universe. It is a window through which students of the university get to know more things. Thus the MGR association proves that “Coming together is a beginning, keeping together is process working together is success”.

## Aims and Objectives

1. To bring all the Students together in a common platform.
2. Provide necessary academic guidance to the students.
3. Prepare the students to face the challenges in the necessary field.
4. Provide information about career advancement programs.
5. Help the students to know the various career opportunities available.
6. Help and guide the students to become successful.
7. Help the students to have a thorough knowledge of the various aspects.
8. All the more, to make the students responsible citizens of the society.
9. Make the students as real leaders.
10. By organizing guest lectures, seminars, make the students well acquainted with the latest information.
11. Create an awareness of research culture among the students.

## Structure

MGR Association has a variety of Associations to belong to and all of this association gives a new platform to each and every student in the university. The following are the association which is running in our university under MGR Association.

1. Arch converge
2. Association of bio –technology
3. Association of civil engineering
4. Association of computer applications
5. Association of computer science
6. Association of computing engineers
7. Association of education
8. Association of humanities and sciences
9. Association of viscom and animation
10. Chemical engineering association
11. Ecomet
12. Electrical and electronics technical association
13. Geo centric
14. Society of mechanical engineers
15. The literary seminary

Each Association is engaged by the office bearers. Chairman, Deputy Chairman, Association Convener, Mentor, Secretary, Additional Secretary, Joint Secretary, Treasurer, Joint Treasurer, Event Manager, Manager (Design & Publication) and Executive Committee Member are the student office bearers of the Association. The office bearers are elected by the Chairman of the respective Association based on their interest, and performances. To continue the association's growth and vitality, every academic year there will be a continual process to select the office bearers.

## Activities

- Each association will organize monthly executive meeting and semester general body meeting to review all the activities.
- MGR Association office assists students in planning events with framed forms on both on campus and at off campus locations.
- The Framed forms (F1 to F18) are circulated among students and staff members for planning and executing the events. Based on the proposals received from the students (F1), the association chairman will review and discuss among their department faculties to finalize the events (F2) for each semester.
- The planned events as per F2 Form for each semester will be executed by the department and will be monitored through F10 by the MGR Association office.
- At the end of each semester the ranks for the execution of events by all the department association will be published based on the performance and the top ranked Associations are felicitated.

## Reports

The Events organized by our University departments from the Academic year 2012-13 to 2017-18 are summarized. A total of 42 international activities and 54 national conferences were organized by various faculties. Through 91 FDP's, faculty members were trained to update their skills and knowledge. A total of 242 workshops, 166 seminar's and 218 Guest Lectures' were organized for the students of our university and other college students to interact and learn actively about latest technology and techniques on their respective domains.

35 National Symposiums were organized with the help of our university students and is focused on sharing current research and evidence-based strategies which support student success. Through 268 outreach programs with the support of our faculty members and students the personal and career counselling, conflict resolution and anger management techniques, time management and study skills, learning strategies and addictions counselling are provided onsite or in coordination with community agencies.
