Dear Ms. Vasanthi:

I would like to personally thank you for the hospitality extended to Mr. Sam Dreyfus, ECPI University's Director of International Student Recruitment. The discussions with your staff and students were invaluable for us to thoroughly understand the expectations of your Institution and students. We hope that these visits will form the foundation for a long-term relationship between Dr. M.G.R University Educational and Research Institute and ECPI University.

ECPI University is excited about the opportunities to support Indian Students, both in India and the United States. Our institution is committed to helping Indian students by ensuring that all the many admissions and visa steps are done accurately and timely resulting in each student's successful matriculation.

The shared vision between Dr. M.G.R University Educational and Research Institute and ECPI University will always be to provide an excellent educational experience that prepares each student with the technical skills, emotional maturity, and motivation to succeed in today's world. As you know, ECPI University is a respected and leading applied technology college for both online and on-campus learning in the United States. We support 16 campuses and over 90% of our students would recommend the college to a friend. Graduate degrees in Computer Science, Cyber Security, MBA, and Nursing along with a host of other curriculums make ECPI University an attractive value added option for students seeking skill degrees. A recurring student testimonial is "ECPI is the best decision I ever made".

ECPI University and its in-country partner GlobeMed Resources are ready to implement key initiatives that will foster the relationship/partnership in support of its shared vision. These initiatives, all of which are designed to create the best learning environment for the International students, could include:

- Faculty Exchange Programs
- Student Exchange Programs
- Access to ECPI University's online curriculum
- Merit Scholarships for High Achieving Students
- Technology support from ECPI University
- Webinars Addressing Multiple Subjects/Issues
- Special In-Person and Online Seminars
- Routine Visits from ECPI University and GlobeMed
