### EDUCATION

Sl.No.	Course	Department	Affiliation
1	PharmD	–	SRM institute of science and technology, Kattankulathur, Tamilnadu.
2	MBA	(Health care management)	Jain (Deemed- to – be University), Jayanagar, Bengaluru, Karnataka- 560069
3			

### OTHER DETAILS

#### Courses:

- Faculty Development Program; Theme: Innovative methods in Teaching – Learning process.
- Course in Clinical Research - 3 months

#### Research Interest:

1. My research interests center around infectious diseases. I am particularly fascinated by the development of novel antiviral agents and strategies to combat emerging infectious threats.

2. I am eager to explore innovative approaches to drug discovery and intervention strategies to address global health challenges."
  
3. My research interests lie in health services research, specifically focusing on improving patient outcomes and optimizing medication management. Through my experiences in clinical pharmacy settings, I have witnessed the impact of personalized interventions on patient adherence and overall health. I am keen to further investigate strategies for enhancing medication adherence, exploring innovative pharmacy services, and contributing to the broader field of health services research. My strong analytical skills, coupled with a patient-centered approach, align well with the faculty's commitment to advancing pharmacy practice and patient care."
