MAA ALUMNI NETWORK

MAA ALUMNI NEWTWORK

We had specific geographical division on the basis of the national and international network according to regions for the better relationship and sharing. The network map is a base with which we maintain our alumni region wise. The MAA network works with office for conducting alumni events, alumni service support. We had categories the model in such a way thus the alumni fall under the region in either way. So it,s easy to document and share region-based network activities to alumni of particular region.
