No: 21/1/2017-HRD-STS

Dear Students,

This is in reference to your application for ICMR- Short Term Studentship-2018 submitted ONLINE to the ICMR.

I am pleased to inform you that the Director-General, ICMR approves selection of your application for STS on a stipend of Rs. 10,000/- fixed i.e. Rs. 5000/- per month for any two months (between April to July, 2018) to work on the proposed research project. The award is subject to conditions and approval of report by ICMR. Kindly complete the research at the earliest, so that the report can be prepared and submitted in time.

Please note that no report shall be considered/ accepted after the due date i.e. 15th October 2018.

The research carried out by the student must be in compliance with ICMR's ICMR Ethical Guidelines for Biomedical Research on Human Participants, 2017 and National Ethical Guidelines for Biomedical Research Involving Children, which may be downloaded from ICMR website (http://www.icmr.nic.in/guidelines/ICMR_Ethical_Guidelines_2017.pdf) and http://www.icmr.nic.in/guidelines/National_Ethical_Guidelines_for_BioMedical_Research_Involving_Children.pdf

Please note: If the work involves human participants, then a clearance from the Institutional Ethics Committee (IEC) must be obtained along with an informed consent from the subjects recruited for the study. Also note that studies involving stored samples/ human biological materials/ retrospective analysis of records/ surveys etc, also require clearance from IEC. If the work involves use of animals, then a clearance must be obtained from the Institutional Animal Ethics Committee (IAEC). Research should not be initiated unless cleared by the ethics committee. In case it is felt that research belongs to exempt category a "certificate of exemption" may be obtained from the IEC.

On completion of the studentship, a report of the actual work done may please be submitted ONLINE as per detailed format and instructions specified on ICMR website. It is advised that prior to writing the report, please go through all the instructions loaded by ICMR thoroughly. The report must have an Introduction, Review of Literature, Aims and Objectives, Material and Methods, Observations and Results, Discussion, Conclusions & Bibliography and must be submitted ONLINE before the last date. Printed copies of reports will **"NOT"** be accepted. Without appropriate clearances from IEC/IAEC, the report will not be accepted.

The ICMR has initiated this programme to provide opportunity MBBS students to familiarize themselves with research techniques, methodology and also with preparing reports. It is expected that the Guides provide ample support and guidance to the students in their endeavor. Further information about report preparations and its submission as well as the last date for submission is provided on ICMR website. You will have to carry out the project work as early as possible in any two months between April to July, 2018 and submit the detailed report online latest by 15th October 2018. The dates to submit the report will be between 1st August 2018 to 15th October, 2018, however, it is advised that the updated instructions on ICMR website (www.icmr.nic.in) may please be followed.

In case of any queries, please send email at stshrd2017@gmail.com

Wishing you all the best.

(Mrs. Harjeet Bajaj)
Administrative Officer-STS
(For Director General)

Important: Please inform the Dean/Principal of your college regarding Award of ICMR- STS 2018

This is an automated email. Please do not send reply to this email address.

PROJECT APPROVAL ORDER

Sub:	Approval of research grants to the teaching faculties of affiliated institutions of RGUHS to carryout research projects-2018-19.
Ref:	1. University notification No: RGU/ADV.RES/BR/18/2018-19 dated 04.04.2018
	2. Approval of the Syndicate in its 138 th meeting held on 21.12.2018

Project Code	18M016
Principal Investigator	Pavanaganga.A Rajarajeswari Medical college and Hospital
Research Project Title	Study of differential expression of maternal plasma miRNA as a novel non- invasive biomarker during early pregnancy as a predictor of Preeclampsia and its severity
Research Grants Sanctioned	Rs.700000
Duration of the Project	Two Years

One of the main objectives of the University is to promote research activities in the University and also affiliated colleges. In this regard University had invited applications for financial assistance for conducting of advanced research projects for the year 2018-19, wherein university received 282 research proposals. The Subject Experts as suggested by the concerned BOS PG chairpersons and the Expert Committee comprising of all the BOS PG chairpersons have scrutinized the research proposals and shortlisted them based on the criteria set out by the University. Such of the proposals which have fulfilled the norms, have been recommended by the Expert Committee for sanction of research grants.

The Syndicate in its meeting held on 21.12.2018 has approved to sanction the research grant as per the recommendations of Expert Committee for 64 selected proposals in Medical, Dental, Pharmacy, AYUSH, Nursing and Physiotherapy for the year 2018-19.

As per the decision of the Syndicate the following orders are made.

ORDER NO. RGU: RGU/ADV.RES/BR/018/2018-19 DATED:
11.01.2019

Pursuant to the approval of the Syndicate, sanction is hereby accorded for release of grant-in-aid amounting to Rs. 700000(Rupees Seven Lac Only) towards research proposal entitled "Study of differential expression of maternal plasma miRNA as a novel non-invasive biomarker during early pregnancy as a predictor of Preeclampsia and its severity" Of **Pavanaganga.A, Rajarajeswari Medical college and Hospital** for the year 2018-19. The Grant-in-aid will be released in the name of Head of the institute subject to following terms and conditions mentioned hereunder.

1. The Principal / Head of Institution shall maintain a separate account for receiving the financial grant released by RGUHS in the name of Principal / Head of the Institution and the details of the same shall be submitted to RGUHS.
2. Principal / Head of the Institution and the Principal Investigator shall be responsible for the accounts and the proper utilization of the funds. The grants released shall be used only for research purpose.
3. 50% of the grant-in-aid approved by RGUHS will be released as 1st installment. 25% of the grant-in-aid will be released after the Utilization Certificate for the money released in the 1st installment is given. Balance of 15% will be released after the Utilization Certificate for the money released in the 2nd installment is given. Remaining 10% will be released after the submission of Project Report to the University. Audit report shall be submitted along with every Utilization Certificate.

The bifurcation of grant-in-aid as per the above criteria applicable to you is as follows:

First Installment (50% of the total research grants)	Rs. 350000
Second Installment (25% of the total research grants)	Rs.175000
Third Installment (15% of the total research grants)	Rs.105000
Fourth Installment (10% of the total research grants)	Rs.70000
TOTAL	Rs. 700000

Please note that above bifurcation of grants is provisional. If any change/s is/are required in the bifurcation of amount under sub-heads, the approval of Expert Committee shall be obtained.

4. The project shall be completed within Two Years from the date of release of 1st installment of grant-in-aid. However, the University reserves the right to extend the tenure in deserving cases.

5. Principal Investigator shall furnish project status report once in six months till the completion of the project to the Director, Advance Research, RGUHS.
6. During the research work, members of the Expert Committee along with Subject Experts shall reserve the right of inspection of the research activity being carried out.
7. All the details about the conduct of research activity along with documents should be properly maintained by the Principal Investigator. He/She should submit such details of research to monitoring committee or to the University whenever it is called for.
8. ICMR and MCI guidelines especially with regard to ethical issues shall be followed strictly in the research activity.
9. Regarding ethical issues in various faculties, the guidelines prescribed in the apex bodies or any other related authorities or any law/rules approved from time to time specifically applicable to the research being conducted shall strictly be adhered to by the Institution and Principal Investigator.
10. Research project shall be published in national/international indexed journals after the completion of the project. During such publication it is the duty of the Principal Investigator to acknowledge the assistance given by the University as a source of funding for the research activity. The Principal Investigator shall absolve the University in all future legal complications regarding copyright/plagiarism issues with respect to the research project.
11. In case the Principal Investigator discontinues the research work under unforeseen circumstances, the co-investigator shall continue the research work and complete the project with the approval of the University. It is the responsibility of the Principal/Head of the Institution to ensure, in such circumstances, that the research is completed with the co-investigator of the research project.
12. It is the responsibility of the Principal/Head of the Institution and Principal Investigator to ensure that research work is completed within the stipulated time. In the event of failure to comply, the Principal Investigator and Head of the department shall return the entire amount of research grant released to them along with the interest accrued on the SB Account, if the research activity is not at all started even after one year. However such principal investigators will be barred from applying for research grants for next three years. If the research work was started and could not be completed, then the entire research amount along with the fine of 8% on the total amount released shall be refunded. However, the Committee shall take-up the decision on such projects on case-to-case basis. The decision of the

Committee in this regard shall be final and binding on the Principal Investigator and Head of the Institute.

13. The grants released by the University shall not be utilized for the purpose of purchase of equipments/software.
14. The honorarium for the supportive staff, purchase of consumables, tests carried outside the institution because of lack of infrastructural facilities in the institution, travel grants for attending conference for presenting the research work and for publication of papers in national / indexed journals shall be met out of the grant-in-aid.
15. Research Assistants(if any) appointed for the purpose of this research for which the grant-in-aid is released by RGUHS, shall not be utilized for any other purpose. The non-technical research assistants i.e. secretarial assistant shall be paid Rs.6000/- and graduate research assistant shall be paid Rs.12000/- per month as honorarium.
16. After the completion of the project the entire project report shall be submitted to the University and will become property of the University and University owns the intellectual property rights (IPR) as per the guidelines adopted by RGUHS on the recommendations of Expert Committee.
17. If any of the conditions mentioned above are not adhered to by the Principal/ Head of the Institution and the Principal Investigator, University reserves the right to take appropriate action.
18. In research proposals involving clinical trials, if any untoward incidence occurs, it is the responsibility of the Principal Investigator and the Institution to deal with the same and the University will not take any responsibility in this regard. The Principal Investigator is advised to enter into insurance schemes to meet any such adverse eventuality as per the decision of the IEC.

Further the Principal / Head of the Institution and Principal Investigator has to submit a joint affidavit duly signed by both, of the Principal / Head of the Institution and Principal Investigator which has to be notarized mentioning all the conditions from Sl.No.1 to 18 and stating that they will abide by the conditions stipulated in this order.

Only after the receipt of Pre-receipt certificate and the affidavit as above, further process for release of research grant-in-aid will be initiated. These documents have to be submitted to the Director, Advanced Research, RGUHS (superscribing the documents as ("**Advanced Research proposal**") either in person or by post on or before 25.01.2019 **without fail**. Soft copies of these documents shall also be sent to rguhsresearch@gmail.com.
