

Film Screening Competition **Department of Visual Communication & Animation**

This film screening competition was judged by the popular actor Mr.PandiyaRajan and around 10 films were screened. He appreciated the students on seeing them as a good director. The students get the Promotion of good films through screenings retrospectives in our department. There is a high chance of possibilities of Interaction and development of contacts between film makers and students nationally & internationally.

Excessive opportunities to induce a circulation and exchange of films in the social media.It results in the raising of professional standards of film making production,

This film screening supports the students who are all an Independent filmmakers and it will help them to be part of a wider movement that offers an alternative, grassroots distribution channel to struggling film-makers. This film screening can be a powerful and engaging educational tool, especially for students.. It helps break down barriers and spark discussion and interest among the students.
