

## **OSCAR JOURNAL CLUB**

### **Department of Visual Communication & Animation**

Department of viscom & Animation has conducted its first Journal Club meet for the academic year on 14th February 2023 at RA Block in Room no 410. Dr. Ethiraj, Professor & Dean - E&T has kindly agreed to give a talk on the "CHOOSING THE CORRECT JOURNAL" and graced the meeting. The speaker guided the faculty members and research scholars of the Club about how to publish articles in Scopus indexed journals and Impact Factor journals. He also briefed about the selection of journals, Do's and Dont's of publications and above all he shared the importance of publishing research papers in Web of Science and Scopus. It was followed by meaningful interaction and clarifications. The meeting motivated the teachers and research scholars to choose the right journals.
