

**World Cancer Day**  
**Department of Viscom & Animation**

On the World Cancer Day (2/2/2024), We the Department of Viscom & Animation at Dr. MGR Educational & Research Institute, Chennai, teamed up with the UUU Foundation and Hair donation drive organized a Cancer Awareness programme .Our Viscom students performed a group dance in the signal of the Periya EVR Main Road and created awareness for not smoking and to quit smoking to the public on the road. Students effectively conveyed the causes of the cancer to the public. Our Honorable President Er.Arunkumar sir inaugurated the event. Students participated enthusiastically with their contributions and they were all holding the Plug cards to create awareness and grabbed the attention of the people.
