Assistant Professor

Department of Social Work,

Faculty of Hotel Management / Culinary Arts / Aviation Mgmt. / De-Novo Courses

Dr. M.G.R. Educational and Research Institute (Deemed to be University),

Maduravoyal, Chennai – 600095.

VISION

- To develop effective and efficient social work professionals for sustainable development of the society through academic excellence.

MISSION

- To enable students to acquire scientific knowledge on social work and social science disciplines.
- To equip social work students with scientific skills relating to professional social work.
- To train social work students for practicing ethical standards.
- To help the social work students imbibe universal human values and values of professional social work.
- To inculcate an attitude of social responsibilities.
- To orient social work students towards social work research and social action.

PROGRAM EDUCATIONAL OBJECTIVES:

- To demonstrate comprehensive knowledge and awareness about social work and its concepts.
- To communicate and express thoughts and ideas effectively in different setting.
- To integrate field work learning for effective social work practice.
- To develop basic skills and scientific practice in research and in different methods of social work.
- To mould a new generation of social workers in societal thoughts and processes who can challenge and resolve issues around the society.

The B.S.W program consists of:

- Core papers
- Inter-disciplinary papers
- Soft Skills
- Elective papers
- Research project
- Concurrent fieldwork
- Block placement

B.S.W – SOCIAL WORK - CURRICULUM (SEMESTER 1 – 6)

SEMESTER – I						
S.no	Subject Code	Subject	L	T	P	C
1	HBEN20001*	English I	3	0	0	3
2	HBTA20001/ HBFR20001/ HBHI20001*	Language I (Tamil/French/ Hindi I)	3	0	0	3

CONCURRENT FIELD WORK –I

Subject Code: HBSW20L04

Total teaching hours: 50

L	T	P	C
0	0	10	5

ABOUT:

During concurrent field work each student will be placed in a social organization for two days in a week. The students will work as interns in the agency and carry out various activities and programs with the guidance of the Agency Supervisor and Faculty Supervisor.

OBJECTIVES:

- To provide an opportunity to learn the skills of primary methods of Social Work (Case Work, Group Work, Community Organization).
- To understand both the agency and the clients as systems
- To develop knowledge of administrative procedures, programme management and utilize these skills in practice

REPORT FORMAT:

1. Introduction.
2. Organization details.
3. Activities carried out.
4. Requirements report.
5. Personal Learning.
6. Professional Learning.
7. Observation
8. Reflection.
9. Conclusion.
10. Appendix.

REQUIREMENTS:

- Participation - The students will be expected to participate in all the programmes where their participation will be observed and evaluated.
- Weekly Report – The students will submit a report on each visit weekly and this will also be evaluated by the Faculty Supervisor.
- Consolidated report – The students are required to submit a consolidated report of their experiences during their Fieldwork.
- Things to be done in the field–
 1. To study the profile of the agency.
 2. To involve in activities of the agency.
 3. Case Work-2.
- Viva – Viva will be held in end of the semester.

RESEARCH METHODOLOGY

Subject Code: BMG20H05

Total Teaching Hours: 50

L	T	P	C
3	1	0	4

Objective:

Research methodology will be taught in the theory class to prepare students on how to approach the subject of research project in the 6th semester. Inputs can be given to the students during the institute tenure but topics allotted will help students pursue the projects in a better fashion through exploratory research and self-study. Final preparation of the project will be done only in the 3rd year final semester under guidance from subject matter expert.

Unit 1 **10hrs**

Introduction to research methodology- Meaning and objectives of research, types of research, research approaches, significance of research, research vs. methodology, research process, criteria of good research, problems faced by the researcher, techniques involved in defining a problem.

Unit 2 **10hrs**

Research Design- Meaning and needs of research design, features and important concepts relating to research design, different research design, important experimental design.

Unit 3 **10hrs**

Sample design- census and sample survey, implication of sample design, steps in sampling design, criteria for selecting sampling procedure, characteristics of a good sample design, different types of sample design, measurement scales and important scaling techniques.

Unit 4 **10hrs**

Methods of data collection- collection of primary data, collection through questionnaire and schedule, collection of secondary data, difference in questionnaire and schedule, different methods to collect secondary data.

Unit 5 **10hrs**

Data analysis interpretation and presentation techniques- Hypothesis testing, basic concepts concerning hypothesis testing, procedure and flow diagram for hypothesis testing, test of significance, chi- square analysis, and report presentation techniques.

CONCURRENT FIELD WORK –II

Subject Code: HBSW20L05

Total Teaching Hours: 50

L	T	P	C
0	0	10	5

ABOUT:

During concurrent field work each student will be placed in a social organization for two days in a week. The students will work as interns in the agency and carry out various activities and programs with the guidance of the Agency Supervisor and Faculty Supervisor.

OBJECTIVES:

- To provide an opportunity to learn the skills of primary methods of Social Work (CaseWork, Group Work, Community Organization).
- To understand both the agency and the clients as systems.
- To develop knowledge of administrative procedures, programme management and utilize these skills in practice.

REPORT FORMAT:

1. Introduction.
2. Organization details.
3. Activities carried out.
4. Requirements report.
5. Personal Learning.
6. Professional Learning.
7. Observation
8. Reflection.
9. Conclusion.
10. Appendix.

REQUIREMENTS:

- Participation - The students will be expected to participate in all the programmes where their participation will be observed and evaluated.
- Weekly Report – The students will submit a report on each visit weekly and this will also be evaluated by the Faculty Supervisor.
- Consolidated report – The students are required to submit a consolidated report of their experiences during their Fieldwork.
- Things to be done in the field –
 1. To study the profile of the agency.
 2. To involve in activities of the agency.
 3. Group Work-1
- Viva – Viva will be held in end of the semester.
