

Women Safety and Security

Measures initiated by the Institution for the promotion of gender equity during the last five years

Special Facilities for Women Safety and Security

- Gender equity means ensuring equitable distribution to both males & females. This is a process of allocating resources, programs & decision making fairly to both males & females without any discrimination on the basis of sex.
- This process ensures that everyone has access to a full range of opportunities to achieve the physical psychological & social benefits.
- University provides a friendly working environment without any discrimination on the basis of the sex.
- Institute shows gender sensitivity by providing safety social security, counseling etc., to either sex.

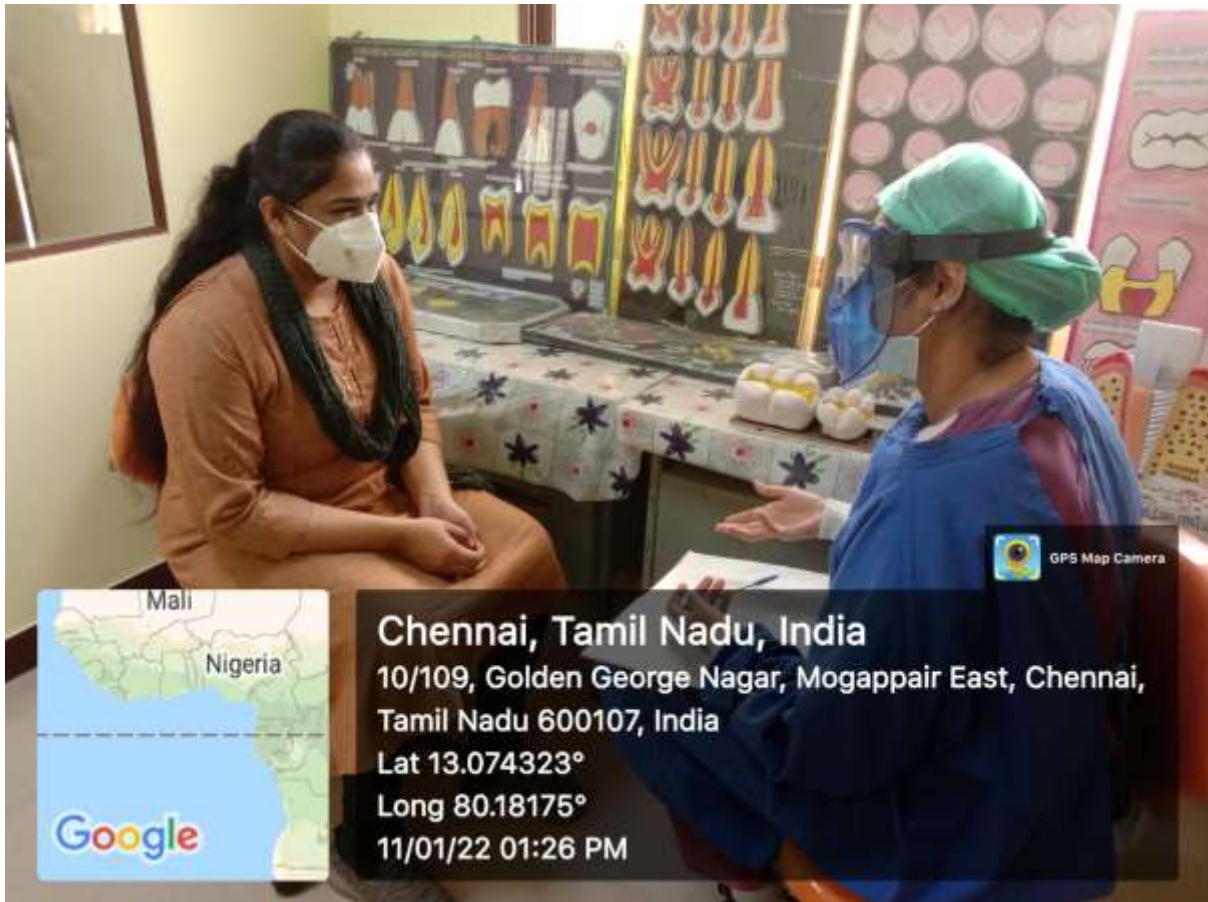

- Our institute has women grievances cell which looks after the issues pertaining to women in particular.
- The women's grievances cell comprises of a full team of Principal, Head of the cell, & a few women faculty members. This team is capable of dealing with all the cases pertaining to gender sensitivity issues.
- The campus is provided with a well maintained security system which provides the round the clock security to women. Separate hostels for girls & boys are provided with good security.
- At our Institution both men & women have equal access to the facilities provided. Institute maintains a talent pool of skilled women to participate in all the roles.
- Women are given leadership roles in the process of hiring new staff & recruitment process. This provides sufficient scope for women to serve as role models for next generation with respect to women empowerment.
- March 8th of every year international women's day is celebrated, International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women.
- Well-trained and vigilant women security guards stationed across the campus
- Extensive surveillance network with 24x7 monitored control rooms.
- Duty by all faculty members for discipline and security.
- Strict implementation of Anti-Ragging, Anti-Smoking and Mobile Free Campus.
- Awareness campaigns on women safety and gender rallies and camps by NSS and NCC student volunteers.
- Separate hostels for men and women with dedicated wardens
- The Institute is the preferred destination of parents for education of their female wards as evidenced by the Stakeholder Feedback.
- Eco-friendly crèche for wards of institute staff with dedicated staff and faculty supervisors.
