Internal Quality Assurance Cell (IQAC)

Minutes of IV Quarterly University IQAC Meeting

Academic Year 2022-2023

The IV Quarterly University IQAC meeting for Academic Session 2022-2023 was held on 28th June 2023 in Main Campus Seminar Hall at 11 AM

AGENDA

1. Internship & skill development program for undergraduate and postgraduate students
2. Improving research & publication and collaboration with other institution for excellence in research
3. Linkage with foreign universities/Industries/ Centre of Excellence etc for training and upskilling of students through value added course

Minutes of the Meeting

Director, IQAC Dr. Malini Pande welcomed the members for the fourth quarterly meeting of University IQAC. The Vice Chancellor & Chair person Dr.S.Geethalakshmi presided over the meeting and gave the opening remarks, "Quality should not be in paper but should be in action". She appreciated the Departments that have performed well and informed that Departments who are performing well will be appreciated and rewarded from the next quarterly meeting

The Director IQAC gave a presentation on the following:

1. Outcome analysis of the III Quarterly meetings (Department level)
2. Departmental deliberations of IV Quarterly meetings
3. Plan of action related to Agenda points
4. Collaborative activities during 2022-23
5. IQAC Templates for Minutes of Meeting, Action Taken Report, Value Added Programs (current & future plans)

The Forum was then open for discussion

Comments by the external members:

1. Mr.Arun Rajiah, Industry Representative expressed that the students should be skilled to meet the global job requirements. The industry is not just looking for their academic credentials but also their active participation in co-curricular and extra-curricular activities. Industry is looking for candidates who have good interpersonal skills and a holistic personality. He also stated that several opportunities are available for basic science students.
2. Mr. Dinesh, Alumni, insisted upon building strong communication skills for the students so that they are prepared to face the outside world.
3. Mr.A.V.Parthasarathy, Parent expressed his happiness about his ward and the experiences she is gaining from the various platforms offered by our university.
4. Ms. Infant Jose Mary, student suggested that we provide extra hours after regular instructional hours for sports and cultural activities. She also suggested that we can provide access to classrooms after class hours for practicing.

Comments by the internal members:

1. Dr.R.Kowsalya, Dean – Office of International Relations summarized the collaborative activities for the year 2022-23.
2. IQAC Chair person & VC Dr.S.Geethalakshmi expressed that any sort of information related to international collaboration, scholarships, participation etc. must reach the students through their Department Heads. She also suggested that we can place a common notice board for delivering such information.

3. IQAC Chair person & VC Dr.S.Geethalakshmi instructed that we should enhance the international collaborative activities in terms of internships and student/faculty exchange programs. She also instructed that more number of activities should be conducted through MoU. Vice Chancellor emphasized the importance of Industry-Academia collaboration for internships & skill development. Close collaboration of industry with our Innovation Cell, appointment of “Industrial Professors”, credits to be allotted for industrial training, and appointment of 4 Chairs were the other suggestions given by the Vice Chancellor.
4. Dr.N.Kanya, Addl. Dean (E&T) & HoD IT pointed out that the information regarding sports and culturals must be disseminated among students and Departments should encourage their participation.
5. Dr. Rajeswari Hari, HoD, BT expressed that ‘On Duty’ must be provided for students going for sports and cultural programs outside the University to encourage participation.
6. Dr.V.Cyril Raj, Addl. Registrar pointed out the need to streamline sports/cultural activity at the Department level. Faculty coordinators have to be identified for both. Dean - Events Dr. Suchitra was entrusted to frame the action plan for this. IQAC Director also told the Dean - Events to prepare a policy document and guidelines for Guest Lectures to be conducted in the University for quality improvement.
7. Rector, Dr.D.Viswanathan shared the information that ISRO has selected our University as a nodal centre for Space Science and Technology Awareness Training Program. Department Heads were requested to circulate the information to their respective students.
8. Dr. Viji Vinod, HoD, FoCA suggested IQAC to frame policies on internship, for students who are getting opportunities externally outside the regular frame of the curriculum. A discussion on student attendance when they go for internships on their own, checking the credibility of those companies etc. followed. It was suggested that Department Heads can get the approval from the Management on a case by case basis or standard policies can be framed. This needs to be deliberated further to come to a conclusion.
9. During the deliberations on value added courses, Dr.M.Ganesan, JR-CDC informed that the 2022 curriculum for E&T, H&S, Medical, and AHS provides space for offering Value added courses outside and within the curriculum.
10. Dr.Kalpalatha Reddy, Addl. Dean (E&T) also expressed the same view and suggested more importance should be given for Value added courses
11. Director IQAC requested Dr.Kalpalatha Reddy and Dr.Ganesan to have a deeper level of discussion on student internship & value added courses within and outside the curriculum and inform the University IQAC before the next Meeting.
12. Dr.P.Udhayakala, Dean - Chemistry noted that the outcome of each department should be evaluated with total strength of respective Departments. Director IQAC promised that this will be done from the next Meeting.
13. On deliberations about student communication skills, Dr.C.Balakrishnan, Dean-IIPC & Placement insisted on need for enhancement of the communication skills of students.
14. Director IQAC requested Dr.Anitha, Head - Dept of English and Dr.Revathy, Dept of English to arrange English (verbal & writing) and soft skills training for the students to enhance their communication and interpersonal skills. They should submit a plan of action to IQAC before the next Meeting.

15. Dr.T.G.Balachandran, Senior Director, Institutional Governance shared valuable information on internship schemes and programs offered by Indian Government cited in pmjanthanyojana.co.in. He also suggested setting up a committee to discuss issues related to student internships
16. Dr.Baskar, Dean Research suggested internship programs for 15 - 30 days can be given 1 credit in the Curriculum
17. Ms.Tanmayee, Chemical Dept informed that the students were given OD only for 15 days for internships. She requested it to be extended. Later it was clarified by AR, Dr.Cyril Raj that procedures already exist for internships and for OD.
18. Dr.Rajinish, Principal, ACSMCH expressed difficulties in collating and presenting the data requested for IQAC templates. The IQAC members assured assistance for the same.
19. Dr.N.Harikrishnan, Principal, Faculty of Pharmacy enquired about the guidelines and specifications about value added courses and requested for more clarity. It was suggested to form a committee for the same.
20. Director IQAC informed that IQAC is working on building strong ERP solutions for the benefit of maintaining & reporting data and that it is work in progress. She also informed that IQAC is planning to organize national conference with CIQA. Director IQAC entrusted the task of organizing this Conference to Dr.Sheeba Percis – JR & Quality Head – Online Programs and Dr.N.Kanya - Addl. Dean (E&T) & HoD IT.

The Director IQAC thanked everyone for their active participation. The Director informed that the Agenda for the next IQAC Meeting will be discussed in the Steering Committee and placed for the approval of the VC who is the Chairperson of IQAC after which it will be circulated to all.

The Vice Chancellor concluded the Meeting on a positive note commenting that the Meeting was well organized and the proceedings went off smoothly.

Resolution of the Meeting:

1. It was resolved to increase the Industry-Academia collaboration for internships & skill development by: a) appointing 4 'Chairs' b) close collaboration of industry with our Innovation Cell c) appointment of "Industrial Professors" d) credits for industrial training e) Interdisciplinary programs to be started.
2. It was resolved to enhance the international collaborative activities in terms of more active MoUs, internships, student/faculty exchange programs and international degree programs.
3. Departments to ensure that information related to international collaboration, scholarships, participation etc. reaches the students through common or Department level Notice Boards.
4. It was resolved to streamline sports/cultural activity at the Department level, identify faculty coordinators and provide 'On Duty' to students going for sports and cultural programs outside the University.

5. It was resolved that the office of Dean – Events will frame the action plan for streamlining sports/cultural activities of the University and submit the report to University IQAC.
6. Office of Dean – Events will also prepare a policy document and guidelines for Guest Lectures to be conducted in the University for quality improvement and submit the report to University IQAC.
7. It was resolved that a Committee for designing policies for internships & value added courses will be set up and the report will be submitted to University IQAC.
8. Dept of English will make an action plan for improving English communication of the students and submit it to University IQAC.
9. IQAC will function as the Data Center of the University for which an ERP solution is being designed. All important information needs to be sent to University IQAC.
10. It was resolved that IQAC will organize a national conference on quality in the next 6 months.
